IN RE REGLAN®/METOCLOPRAMIDE LITIGATION *This Document Relates to All Cases*	SUPERIOR COURT OF NEW JERSEY LAW DIVISION ATLANTIC COUNTY CASE NO. Civil Action ORDER

CASE MANAGEMENT ORDER NO. ___

GOVERNING ALL REGLAN®/METOCLOPRAMIDE CASES

SPREADSHEET

THIS MATTER having being brought on the court's own motion, and for good cause shown;

IT IS ON THE 12 day of Nov 2010, ORDERED in accordance with the Court's directive at the _____ Case Management Conference, and to facilitate greater organization and access for cases in the Reglan/Metoclopramide litigation, the Court will be constructing a database of filed cases. To ensure the accuracy of this database plaintiffs' counsel is required to complete the Court provided spreadsheet for each of its filed cases.

Upon receipt of correspondence from the Court regarding construction of a database and completion of the spreadsheet for use in that database, plaintiffs' counsel with under 10 cases on file will complete the Court's spreadsheet within two weeks. Plaintiffs counsel with 25 cases or fewer shall complete the Court's spreadsheet within 30 days; while plaintiffs; counsel with more than 25 cases on file shall complete the Court spreadsheet within 45 days. The Court's spreadsheet will not be binding on plaintiffs. Plaintiff's counsel will provide to defendant's liaison counsel with a copy of each individual spreadsheet submitted to the Court.

No additional cases should be added by plaintiffs' counsel to the spreadsheet sent by the Court. To the extent that the spreadsheet lacks a filed case, plaintiffs' counsel should notify the Court through separate email. Finally data should not be cut and pasted into the spreadsheet as that will make the data incompatible with the database. (Attached hereto as Exhibit A is a letter to Reglan Counsel from the Court outlining the above process).

SO ORDERED

Carol E. Higbee

EXHIBIT A

SUPERIOR COURT of NEW JERSEY

COUNTIES OF
ATLANTIC AND CAPE MAY

1201 Bacharach Boulevard
Atlantic City, NJ 08401-4527

Counsel:

In order to facilitate greater organization and access for cases in the Reglan litigation, Judge Higbee has requested the construction of a database similar to that used in the Vioxx matter. As such, we require certain information pertaining to the individual plaintiffs in each case.

Attached please find those cases we've identified as associated with your firm. Please fill out the blank fields as they apply to your clients. Some field entries have a drop-down menu. Where a drop-down menu is offered, ***select only from the menu and make no other notations in the field***. If the menu does not contain an adequate response, please select the closet possible answer. If needed, please clarify in the "comments" field at the far right of the spreadsheet.

Furthermore, ***add no additional cases to those listed on the spreadsheet*** sent to you. If you feel your spreadsheet lacks cases, please let us know through a separate email and we'll do our best to remedy the situation.

Please do not cut and paste data into the spreadsheet, as data entered in this manner will not be compatible with our database and will have to be sent back to you. For the same reason ***make no changes to the layout or structure of the spreadsheet.***

When complete, please email the spreadsheet to
