Hello and good afternoon. I am a certified criminal attorney and former prosecutor in Hudson County. I feel strongly about the Hearsay Rules of Evidence and how they both protect the integrity of testimony and foster the development of truth on the witness stand. This is particularly so as it applies to criminal matters, SVU matters, and domestic violence matters; cases that involve especially vulnerable individuals.

I would like to be heard briefly at the meeting regarding the proposed amendment of 803(c) (25).

Best regards,

Stephanie Mc Clure
