## Attorneys Can Now Associate Themselves to an Expungement Case

The Case Representation tile has been added to the Expungement home page. Here, County and Central Public Defenders and private attorneys can associate themselves or members of their firm/office to an expungement case. You can add/update the attorney of record for cases in the following statuses:

- Pending Prosecutor Review
- Pending Petitioner Response
- Revised Petition Prosecutor Review
- Awaiting Judicial Decision
- Order Granted
- Amended Order Prosecutor Review
- Amended Order Petition Response
- Amended Order Judicial Decision
- Amended Order Granted

**Figure 1. New Case Representation Tile**

Once the Attorney clicks on Case Representation and searches a case, if that case does not have an attorney associated, they will see two options:

- **Associate myself to case**
- **Assign another attorney from my office to case.**

**Figure 2. Associate or Substitute Attorney Options**

The screenshot shows a search interface for expungement numbers. At the top, there are search filters: 'Prefix' (XP-), 'County' (ATLANTIC), 'Year' (23), and 'Seq.#' (000100). Below the filters are 'Reset' and 'Search' buttons. A table below shows search results with columns: Expungement number, Defendant, SBI, Filing date, Expungement type, Status, Attorney name, and Attention. One result is shown: XP-ATL-23-000100, JOHN CANDY, 522931B, 02/01/2..., Clean Slate, Pending Petitione... Below the table is a section titled 'Associate or Substitute Attorney options' with two radio buttons: 'Associate myself to case' and 'Assign another attorney from my office to case'.

When selecting “Associate myself to case,” verification text displays.

**Figure 3. Associate Self Options**

The screenshot shows the 'Associate or Substitute Attorney options' section. The 'Associate myself to case' radio button is selected. Below this is a 'Verification' section with a checked checkbox and the text: 'I hereby enter my appearance as the attorney of record for the above petitioner's expungement case pursuant to rules N.J.S.A. 1:11-2.' At the bottom right are 'Cancel' and 'Confirm' buttons.

When selecting “Assign another attorney from my office to case,” a list of attorneys that match the Attorney’s office ID displays. Once an attorney is selected, the verification text appears, and the user will be able to confirm selection.

## Self-Represented Litigant's (Pro Se) Process Flow Updates

Self-represented litigants will now retain their submitted expungement petitions once returned by the Prosecutor, unless they consent to allow the County Public Defender to represent them on the expungement case. If a prosecutor returns the petition, the self-represented litigant will see the 'Open' button enabled and be able to work on the petition.

**Figure 11. Pro Se will now see Open button in green.**

On the Verification screen, a self-represented litigant will be able to select an option consenting to allow County Public Defender to handle the expungement petition if the petition is returned by the Prosecutor. By selecting the checkbox, the County Public Defender can assign themselves to the case if the petition is returned.

**Figure 12. Updated Verification Screen**

A screenshot of the 'Verification' screen in a case management system. The breadcrumb trail at the top reads: 'Petition > Retrieved Cases > Additional Cases > Case List > Verification > Proposed Order'. The main content area is titled 'Verifications' and contains several sections with checkboxes:

- Certification:** A checked checkbox for 'I am the petitioner in this matter and the statements made in this petition are true. I am aware that if any statements made by me are willfully false, I am subject to punishment.'
- Verifications:** A checked checkbox for 'There are no disorderly persons, petty disorderly person, indictable charges or juvenile delinquency matters pending against me at this time.' followed by several unchecked checkboxes for various legal conditions and circumstances related to expungement.
- Representation by Public Defender if Petition is Returned:** A checked checkbox for 'If the Prosecutor returns the petition, I consent to the Office of the Public Defender entering their appearance to assist with a response. There will be no fee associated with this representation.'

If the petition is returned, email notifications are sent to the corresponding County Public Defender's generic email as well as the self-represented litigant with the consent, either yes or no, and contact information so the County Public Defender can contact the user regarding their expungement petition.
