Re: Comments on Committee on Complementary Dispute Resolution Report and
Recommendations

Judge Grant:

The New Jersey Association of Professional Mediators (NJAPM) does not object to nor have any concerns about the report and recommendations of the Supreme Court Committee on Complementary Dispute Resolution. As an organization of professional mediators throughout New Jersey, our organization and members welcome further discussion and collaboration with the AOC on developing ways to improve the court CDR programs, expand them, and incorporate more mediation in the court's dockets as an alternate method of dispute resolution in all types of matters.

Very truly yours,

Bruce P. Matez, Esq. APM
President
