SUPERIOR COURT  
CLERK'S OFFICE

Dear Sirs:

I represent John & Eileen Esainko, defendants in the above matters.

My clients were discharged in bankruptcy on March 22, 2011 under Chapter 7 in the Eastern District of Virginia, Docket No. 10-20280-RGM. The property at issue in the two above matters - 46 Cherry Street, Jersey City, NJ - was listed on the petition and was surrendered.

As a result of the discharge, they assumed they had no further liability regarding the Jersey City property.

However, they have recently received notices from the creditors regarding the two above matters.

Please advise as to the current status of both matters. Have judgments been entered and, if so, when?

Please feel free to provide the information on the copy of this letter enclosed and return same to me in the enclosed envelope.

If there is a fee involved for obtaining the information or if there is a form required to make the inquiry, please so advise.

Thank you for your cooperation.

Sincerely yours,

Terrance Perna
