Dear Sir:

The present is to file an objection in the proceeding:
Order to Show Cause under Docket No: F-009564-12.

Our case is actually being reviewed by the Loss and Mitigation Department as part of the Loan Modification Program. The assigned Home Preservation Specialist is Mrs. Katherine Daugherty from America's Servicing Co.. Should you have any question about the content of this letter, please contact her at 1-877-458-8420, ext. 38199.

Since the property is our primary residence, it has been always our best interest to find assistance with the bank in order to solve the foreclosure situation.

Sincerely,
