Re: *In Re: Stryker Rejuvenate & ABG II Hip Implant Litigation*  
Case No.: 296

Dear Judge Martinotti:

Pursuant to CMO 1 and 2, I submit the proposed sub-committee structure and membership. While there were many capable attorneys who sought sub-committee membership, to keep it a workable number, I have selected the below counsel who I can confidently recommend and can vouch for their accomplishments, abilities to handle these type of case and their commitment to this litigation. I respectfully request that you appoint the below member to the sub-committees enumerated below. Each sub-committee will have a chair who is a member of the PSC to facilitate coordination. We are making each committee chaired by a member of the PSC as set forth below. If at all possible, I would request that the committees get approved by the time of the conference so that we can meet after court that day and discuss the litigation.
