CIVIL ACTION

**ORDER REGARDING SUPPLEMENTAL
REGISTRATION OF CASES AND
CLAIMS**

This Matter having been assigned to the Honorable Brian R. Martinotti, J.S.C. pursuant to the Supreme Court's Order of January 24, 2013, designating this matter for Multicounty Litigation Status ("MCL") of Stryker Rejuvenate & ABG II Modular Hip Implant Litigation (hereinafter referred to as "Stryker") [a Multidistrict Litigation ("MDL") pending before the Honorable Donovan W. Frank, USDJ], and in furtherance of the Court's interest in updating and managing its docket, the following order is hereby entered:

IT IS on this 19 day of May 2016,

ORDERED

1. As a resource for this Court, the cooperating Multidistrict Litigation (MDL Docket No. 13-2441), and any other cooperating courts to manage this litigation, it is necessary to continue to identify and update all remaining, unresolved filed and unfiled claims relating to the ABGII Modular Neck Hip Stem or the Rejuvenate Modular Neck Hip Stem ("Affected Products") (such claims, the "Affected Product-related claims").

OBLIGATIONS OF COUNSEL

2. **NEW CASES OR CLAIMS (Not Previously Registered And Unresolved)**: Counsel for any Affected Product-related case pending in this Court and/or counsel who have any clients who have claims, filed or unfiled, connected with the Affected Products, which were

not previously registered and which remain UNRESOLVED, shall (i) identify all clients with filed and unfiled Affected Product-related claims, whether or not involving a revision surgery, and (ii) provide the information for each such client as set forth on the Registration Declaration and Registration List, including identifying all Interested Counsel in each filed case or unfiled claim and (iii) designate the Primary Law Firm and contacts as described below. The Registration Declaration for represented and unrepresented claimants and the form of Registration Lists will be made available through the Registration Processor, The Garden City Group, Inc.

3. **PREVIOUSLY REGISTERED CASES OR CLAIMS (Which Remain Unresolved):**

Counsel for any Affected Product-related case pending in this Court (*which are UNRESOLVED*) and/or counsel who have any clients who have claims, filed or unfiled (*which remain UNRESOLVED*), connected with the Affected Products *who have previously registered a case or claim with Garden City Group pursuant to this Court's November 13, 2014 Order* **must** update each such claimant's registration information, including revision status, to the extent such information has changed since initial registration. **(NOTE: This obligation does not apply to cases or claims that have been resolved through the Settlement Program (i.e. the enrolled patient has accepted his/her Base Award or Covered Unrevised, Infirm Patient Award) unless the patient has claims as to a bilateral affected hip that was not resolved through the Settlement Program.)**

4. **Specific Obligations of Counsel:**

- a. Designation of Principal Responsible Attorney: The registration of each filed, unresolved case pursuant to this Order must designate the Principal Responsible Attorney and legal assistant for that case. The Principal Responsible Attorney so

designated shall be jointly identified by the Primary Law Firm and Interested Counsel by name, state bar number, business address, and email address.

b. Designation of Primary Law Firm: For each filed, unresolved case pending in either state or federal court, there must be a single designation of a Primary Law Firm. The Primary Law Firm must also identify each and every client for whom they are the Primary Law Firm by serving a list of all filed, unresolved Affected Product-related claims - whether revised or unrevised - in which such law firm, or any attorney at such law firm, is the Primary Law Firm as of the date of this Order.

c. Counsel's Obligations in Connection With Product Identification: *Prior to registration*, the Primary Law Firm shall verify that their individual clients were in fact **implanted with an ABG II Modular Neck Hip Stem or a Rejuvenate Modular Neck Hip Stem**. For all registered matters, in the event that a subsequent review of the registered client's medical records establish that s/he was in fact not implanted with an Affected Product, the Primary Law Firm must, within fourteen (14) days of such verification, notify counsel for HOC and either provide a stipulation of dismissal for defense counsel's signature or move the Court to remove the case from the consolidated litigation so the non-Affected Product matter may proceed as a separate, individual litigation. Counsel responsible for registration of claims or cases involving products other than the Affected Products are subject to further Court action, if appropriate.

d. Completion and Service of Registration List: The Primary Law Firm representing clients with claims involving the Affected Products must prepare a Registration Declaration and Registration List, identifying all such clients as set out

below in 4(e) and 4(f). To obtain a copy of the Registration Declaration and Registration List, go to the Registration Processor's website that was set up as part of the Global Settlement Program, www.StrykerModularHipSettlement.com, click on the "Registration" tab and follow the instructions. g. Updates Regarding Change in Status of Each Registered, Unresolved Matter: The Primary Law Firm shall serve within thirty (30) days of any change in status of any Plaintiff or Unfiled Claimant identified on their Registration List, an updated

h. Changes in Information Regarding Attorney or Represented Status Information:

The Primary Law Firm shall serve written notice of any changes to the information provided on the Registration List, including but not limited to the acquisition or loss of Primary Law Firm status for the case, any change in information for the Primary Law Firm, the Principal Responsible Attorney, or administrative contact for the case, any change in designation of Primary Law Firm status for any case previously listed as “No Primary Law Firm Designated,” and any other change of any information verified under oath. If the change is a loss of Primary Law Firm status or loss of an Interest in the case, the notice shall also identify the name of the attorney and/or law firm, telephone number, email, business address of the new representative for the Plaintiff or Unfiled Claimant or, if none, an affirmation of the Plaintiff or Unfiled Claimant’s *pro se* status and the telephone number, email and address for the Plaintiff or Unfiled Claimant.
