---

**1:39-6. Effect of Certification**

(a) **Not Exclusive.** The standards and systems adopted herein shall in no way limit the right of a certified attorney to practice law in any respect nor shall any attorney-at-law of this State be barred from engaging in a designated area of practice by reason of lack of eligibility or certification.

(b) **Use of Designation.** An attorney who has satisfied the requirements of this rule and who has been certified may make dignified use of the area of practice designation as provided in the Regulations of the Board.

(c) **Restrictions on Designation Use.** No use may be made of the designations set forth in the Regulations of the Board except as therein provided, nor may other words or combination of words be used by a certified attorney in place of such designations.

(d) **Division of Fees.** A certified attorney who receives a case referral from a lawyer who is not a partner in or associate of that attorney's law firm or law office may divide a fee for legal services with the referring attorney or the referring attorney's estate. The fee division may be made without regard to services performed or responsibility assumed by the referring attorney, provided that the total fee charged the client relates only to the matter referred and does not exceed reasonable compensation for the legal services rendered therein. The provisions of this paragraph shall not apply to matrimonial law matters that are referred to certified attorneys.

(e) **Obligation of Certified Attorneys.** A certified attorney is under a continuing obligation, during the duration of the certification period, to notify the Board of any malpractice action brought, fee arbitrations filed, disciplinary complaints filed, or discipline imposed.
1:39-7. Renewal of Certification

A member of the bar of this State who has been certified pursuant to these rules and the Regulations of the Board, may apply for a renewal of such certification during the last twelve months of the five year period for which the attorney had received certification. The application for renewal shall include information specified in the Regulations of the Board, which will set forth the substantive, professional fitness and educational requirements for recertification. The appropriate Certification Committee and the Board shall render a decision regarding the application for renewal of certification in the same manner as provided by these rules and Regulations for initial certification.

Note: Adopted January 26, 1979, as Rule 1:39-8 to be effective April 1, 1979; amended and redesignated Rule 1:39-7 May 15, 1980 to be effective September 8, 1980; amended November 2, 1987 to be effective January 1, 1988; amended June 28, 1996, to be effective September 1, 1996; amended July 5, 2000 to be effective September 5, 2000; amended July 20, 2011 to be effective September 1, 2011.

1:39-8. Termination of Certification

(a) Basis for Termination. Certification may be terminated after a finding by the Board that a certified attorney no longer demonstrates continuing competence or has engaged in conduct or omissions to discharge responsibility that are not acceptable on the part of a certified attorney.

(b) Procedures to Follow. In all cases a complaint, notice, and opportunity to be heard shall be given in accordance, so far as applicable, with the rules and administrative guidelines governing plenary ethics hearings (Rule 1:20-3(h) to -3(m), -3(o)).

(c) Effect of Determination of Unethical Conduct. Whenever an attorney has been found guilty, either as an attorney or a judge, of unethical conduct in a disciplinary proceeding in this state resulting in public discipline, a copy of the decision or opinion in that matter shall be conclusive evidence of the facts established there. The sole issue to be determined by the Board shall be the extent of the sanction to be imposed. However, a respondent may introduce relevant evidence in mitigation that is not inconsistent with the essential facts established in the disciplinary decision or opinion.

(d) Hearing Panels; Recommendation to Court. In all cases hearings may be held before a panel of no fewer than three members of the Board, which shall render a report to the full Board. In appropriate circumstances, the matter may be referred for consideration to the District Ethics Committee. The Board shall recommend to the Supreme Court the sanction to be imposed, which may include either termination or conditions imposed for a stated period. Should the Supreme Court approve the Board’s recommendation to terminate certification, the Board shall notify other certifying agencies to which the attorney holds a certification of that termination.

(e) Burden of Proofs; Effect of Termination. In proceedings under this Rule, the presenter shall have the burden of proof. The respondent shall have the burden of proving all affirmative defenses, constitutional challenges, and mitigating circumstances, if any. The standard of proof for the presenter and the respondent shall be clear and convincing evidence on all issues. No person whose certification has been terminated
pursuant to this Rule may be thereafter again certified except in accordance with the procedure set forth in Rule 1:39-1 to -9 and the Regulations of the Board.

(f) Lapsing of Certification. An attorney who allows his or her certification to lapse and thereafter seeks to be certified shall be required to comply with all of the requirements for making an initial application for certification. The Board shall notify other certifying organizations to which the certified attorney holds a certification that his or her certification by the Supreme Court has lapsed.

1:39-9. Review of Action of Board

Within 30 days after final action of the Board on Attorney Certification with respect to an application for certification, recertiﬁcation, or termination of certiﬁcation, an aggrieved member of the bar may seek review thereof by serving on the Secretary of the Board a notice of petition for review and by ﬁling the original notice with the Clerk of the Supreme Court. The notice shall set forth the petitioner’s name and address and, if he or she is represented, the name and address of counsel. The notice shall designate the action of the Board sought to be reviewed and shall concisely state the manner in which the petitioner is aggrieved. It shall be accompanied by the required ﬁling fee. Thereafter, deposit for costs, ﬁlings and proceedings shall be as set forth in R. 1:19-8, Petition for Review, except that the record on review shall be the Board’s entire ﬁle with respect to the applicant or respondent as to whom review is sought.
