12. Section 6 of P.L.2001, c.404 (C.47:1A-5) is amended to read as follows:

6. a. The custodian of a government record shall permit the record to be inspected, examined, and copied by any person during regular business hours; or in the case of a municipality having a population of 5,000 or fewer according to the most recent federal decennial census, a board of education having a total district enrollment of 500 or fewer, or a public authority having less than $10 million in assets, during not less than six regular business hours over not less than three business days per week or the entity's regularly-scheduled business hours, whichever is less; unless a government record is exempt from public access by: P.L.1963, c.73 (C.47:1A-1 et seq.) as amended and supplemented; any other statute; resolution of either or both houses of the Legislature; regulation promulgated under the authority of any statute or Executive Order of the Governor; Executive Order of the Governor; Rules of Court; any federal law; federal regulation; or federal order. Prior to allowing access to any government record, the custodian thereof shall redact from that record any information which discloses the social security number, credit card number, unlisted telephone number, or driver license number of any person, or the home address, whether a primary or secondary residence, of any active, formerly active, or retired judicial officer or prosecutor, and beginning 18 months after the effective date of P.L.1997, c.188 (C.39:2-3.4); and except that a social security number contained in a record required by law to be made, maintained or kept on file by a public agency shall be disclosed when access to the document or disclosure of that information is not otherwise prohibited by State or federal law, regulation or order or by State statute, resolution of either or both houses of the Legislature, Executive Order of the Governor, rule of court or regulation promulgated under the authority of any statute or executive order of the Governor. Except where an agency can demonstrate an emergent need, a regulation that limits access to government records shall not be retroactive in effect or applied to deny a request for access to a government record that is pending before the agency, the council or a court at the time of the adoption of the regulation.
b. (1) A copy or copies of a government record may be purchased by any person upon payment of the fee prescribed by law or regulation. Except as otherwise provided by law or regulation and except as provided in paragraph (2) of this subsection, the fee assessed for the duplication of a government record embodied in the form of printed matter shall be $0.05 per letter size page or smaller, and $0.07 per legal size page or larger. If a public agency can demonstrate that its actual costs for duplication of a government record exceed the foregoing rates, the public agency shall be permitted to charge the actual cost of duplicating the record. The actual cost of duplicating the record, upon which all copy fees are based, shall be the cost of materials and supplies used to make a copy of the record, but shall not include the cost of labor or other overhead expenses associated with making the copy except as provided for in subsection c. of this section. Access to electronic records and non-printed materials shall be provided free of charge, but the public agency may charge for the actual costs of any needed supplies such as computer discs.

(2) No fee shall be charged to a victim of a crime for a copy or copies of a record to which the crime victim is entitled to access, as provided in section 1 of P.L.1995, c.23 (C.47:1A-1.1).

c. Whenever the nature, format, manner of collation, or volume of a government record embodied in the form of printed matter to be inspected, examined, or copied pursuant to this section is such that the record cannot be reproduced by ordinary document copying equipment in ordinary business size or involves an extraordinary expenditure of time and effort to accommodate the request, the public agency may charge, in addition to the actual cost of duplicating the record, a special service charge that shall be reasonable and shall be based upon the actual direct cost of providing the copy or copies; provided, however, that in the case of a municipality, rates for the duplication of particular records when the actual cost of copying exceeds the foregoing rates shall be established in advance by ordinance. The requestor shall have the opportunity to review and object to the charge prior to it being incurred.

d. A custodian shall permit access to a government record and provide a copy thereof in the medium requested if the public agency maintains the record in that medium. If the public agency does not maintain the record in the medium requested, the custodian shall either convert the record to the medium requested or provide a copy in some other meaningful medium. If a request is for a record: (1) in a medium not routinely used by the agency; (2) not routinely developed or maintained by an agency; or (3) requiring a substantial amount of manipulation or programming of information technology, the agency may charge, in addition to the actual cost of duplication, a special charge that shall be reasonable and shall be based on the cost for any extensive use of information technology, or for the
labor cost of personnel providing the service, that is actually
incurred by the agency or attributable to the agency for the
programming, clerical, and supervisory assistance required, or both.

e. Immediate access ordinarily shall be granted to budgets,
bills, vouchers, contracts, including collective negotiations
agreements and individual employment contracts, and public
employee salary and overtime information.

f. The custodian of a public agency shall adopt a form for the
use of any person who requests access to a government record held
or controlled by the public agency. The form shall provide space
for the name, address, and phone number of the requestor and a
brief description of the government record sought. The form shall
include space for the custodian to indicate which record will be
made available, when the record will be available, and the fees to be
charged. The form shall also include the following: (1) specific
directions and procedures for requesting a record; (2) a statement as
to whether prepayment of fees or a deposit is required; (3) the time
period within which the public agency is required by P.L.1963, c.73
(C.47:1A-1 et seq.) as amended and supplemented, to make the
record available; (4) a statement of the requestor's right to challenge
a decision by the public agency to deny access and the procedure
for filing an appeal; (5) space for the custodian to list reasons if a
request is denied in whole or in part; (6) space for the requestor to
sign and date the form; (7) space for the custodian to sign and date
the form if the request is fulfilled or denied. The custodian may
require a deposit against costs for reproducing documents sought
through an anonymous request whenever the custodian anticipates
that the information thus requested will cost in excess of $5 to
reproduce.

g. A request for access to a government record shall be in
writing and hand-delivered, mailed, transmitted electronically, or
otherwise conveyed to the appropriate custodian. A custodian shall
promptly comply with a request to inspect, examine, copy, or
provide a copy of a government record. If the custodian is unable
to comply with a request for access, the custodian shall indicate the
specific basis therefor on the request form and promptly return it to
the requestor. The custodian shall sign and date the form and
provide the requestor with a copy thereof. If the custodian of a
government record asserts that part of a particular record is exempt
from public access pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.)
as amended and supplemented, the custodian shall delete or excise
from a copy of the record that portion which the custodian asserts is
exempt from access and shall promptly permit access to the
remainder of the record. If the government record requested is
temporarily unavailable because it is in use or in storage, the
custodian shall so advise the requestor and shall make arrangements
to promptly make available a copy of the record. If a request for
access to a government record would substantially disrupt agency
operations, the custodian may deny access to the record after
attempting to reach a reasonable solution with the requestor that
accommodates the interests of the requestor and the agency.

h. Any officer or employee of a public agency who receives a
request for access to a government record shall forward the request
to the custodian of the record or direct the requestor to the
custodian of the record.

i. (1) Unless a shorter time period is otherwise provided by
statute, regulation, or executive order, a custodian of a government
record shall grant access to a government record or deny a request
for access to a government record as soon as possible, but not later
than seven business days after receiving the request, provided that
the record is currently available and not in storage or archived. In
the event a custodian fails to respond within seven business days
after receiving a request, the failure to respond shall be deemed a
denial of the request, unless the requestor has elected not to provide
a name, address or telephone number, or other means of contacting
the requestor. If the requestor has elected not to provide a name,
address, or telephone number, or other means of contacting the
requestor, the custodian shall not be required to respond until the
requestor reappears before the custodian seeking a response to the
original request. If the government record is in storage or archived,
the requestor shall be so advised within seven business days after
the custodian receives the request. The requestor shall be advised
by the custodian when the record can be made available. If the
record is not made available by that time, access shall be deemed
denied.

(2) During a period declared pursuant to the laws of this State as
a state of emergency, public health emergency, or state of local
disaster emergency, the deadlines by which to respond to a request
for, or grant or deny access to, a government record under
paragraph (1) of this subsection or subsection e. of this section shall
not apply, provided, however, that the custodian of a government
record shall make a reasonable effort, as the circumstances permit,
to respond to a request for access to a government record within
seven business days or as soon as possible thereafter.

j. A custodian shall post prominently in public view in the part
or parts of the office or offices of the custodian that are open to or
frequented by the public a statement that sets forth in clear, concise
and specific terms the right to appeal a denial of, or failure to
provide, access to a government record by any person for
inspection, examination, or copying or for purchase of copies
thereof and the procedure by which an appeal may be filed.

k. The files maintained by the Office of the Public Defender
that relate to the handling of any case shall be considered
confidential and shall not be open to inspection by any person
unless authorized by law, court order, or the State Public Defender.¹
