older, the officer shall provide the person with informational materials about how to access community services provided by public or private agencies and organizations that shall assist the person with opportunities to access further social services, including but not limited to counseling, tutoring programs, mentoring services, and faith-based or other community initiatives. If the violation is by a person under 18 years of age, a written notification concerning the second violation along with a copy of the written warning for the person’s first violation shall be provided to the parent, guardian or other person having legal custody of the underage person in accordance with section 3 of P.L.1991, c.169 (C.33:1-81.1a). The written notification shall include the same or similar informational materials about how to access community services provided by public or private agencies and organizations as those provided directly by a law enforcement officer to a person 18 years of age or older who commits a second violation of this paragraph. A copy of the second written warning to the underage person, and, if applicable, the written notification to the parent, guardian or other person having legal custody of the underage person concerning the second warning, plus a sworn statement that includes a description of the relevant facts and circumstances that support the officer’s determination that the person committed the second violation, shall be temporarily maintained in accordance with this section only for the purposes of determining a subsequent violation subject to the consequences set forth in subparagraph (c) of this paragraph.

(c) for a third or subsequent violation, a write-up issued by a law enforcement officer to the underage person indicating that a third or subsequent violation has occurred, which includes the person’s name, address, and date of birth. If the violation is by a person 18 years of age or older, the officer shall include with the write-up a referral for accessing community services provided by a public or private agency or organization, and provide notice to that agency or organization of the referral which may also be used to initiate contact with the person, and the agency or organization shall offer assistance to the person with opportunities to access further social services, including but not limited to counseling, tutoring programs, mentoring services, and faith-based or other community initiatives. If the violation is by a person under 18 years of age, a written notification concerning the third or subsequent violation shall be provided to the parent, guardian or other person having legal custody of the underage person in accordance with section 3 of P.L.1991, c.169 (C.33:1-81.1a). The written notification shall include a referral for the person and the parent, guardian or other person having legal custody of the underage person for accessing community services provided by a public or private agency or organization, and provide notice to that agency or organization of the referral which may also then be used to initiate contact with
both persons, and the agency or organization shall offer assistance
to both with opportunities to access further social services,
including counseling, tutoring programs, mentoring services, and
faith-based or other community initiatives. A copy of a write-up for
a third or subsequent violation, the written notification to the
parent, guardian or other person having legal custody of the
underage person, if applicable, and accompanying referrals, plus a
sworn statement that includes a description of the relevant facts and
circumstances that support the officer’s determination that the
person committed the third or subsequent violation, shall be
temporarily maintained in accordance with this section only to the
extent necessary to track referrals to agencies and organizations, as
well as for the purposes of determining a subsequent violation
subject to the consequences set forth in this subparagraph.

The failure of a person under the legal age to purchase alcoholic
beverages or cannabis items, or the failure of a parent, guardian or
other person having legal custody of the underage person, to accept
assistance from an agency or organization to which a law
enforcement referral was made, or to access any community
services provided by that agency or organization shall not result in
any summons, initiation of a complaint, or other legal action to be
adjudicated and enforced in any court.

(2) (a) A person under the legal age to purchase alcoholic
beverages or cannabis items is not capable of giving lawful consent
to a search to determine a violation of this section, and a law
enforcement officer shall not request that a person consent to a
search for that purpose.

(b) The odor of an alcoholic beverage, marijuana, hashish,
cannabis, or cannabis item, or burnt marijuana, hashish, cannabis,
or cannabis item, shall not constitute reasonable articulable
suspicion to initiate an investigatory stop of a person, nor shall it
constitute probable cause to initiate a search of a person or that
person’s personal property to determine a violation of paragraph (1)
of this subsection. Additionally, the unconcealed possession of an
alcoholic beverage, marijuana, hashish, or cannabis item in
violation of paragraph (1) of this subsection, observed in plain sight
by a law enforcement officer, shall not constitute probable cause to
initiate a search of a person or that person’s personal property to
determine any further violation of that paragraph or any other
violation of law.

(3) A person under the legal age to purchase alcoholic
beverages or cannabis items who violates paragraph (1) of this
subsection for possessing or consuming an alcoholic beverage,
marijuana, hashish, or a cannabis item shall not be subject to arrest,
shall not be transported to a police station, police headquarters, or
other place of law enforcement operations, and shall not
otherwise be subject to detention or be taken into
custody by a law enforcement officer at or near the location where
the violation occurred, 1 except to the extent 1that detention or
custody at or near the location is 1 required to issue a written
warning or write-up, 1collect the information necessary to 1provide
notice of a violation to a parent, guardian or other person having
legal custody of the underage person in accordance with section 3
of P.L.1991, c.169 (C.33:1-81a), or make referrals for accessing
community services provided by a public or private agency or
organization due to a third or subsequent violation, unless the
person is being arrested, detained, or otherwise taken into custody
for also committing another violation of law for which that action is
legally permitted or required.

(4) Consistent with the provisions of subsection c. of section 1
of P.L.2020, c.129 (C.40A:14-118.5), the video and audio recording
functions of a law enforcement officer’s body worn camera, as
defined in that section, shall be activated whenever the law
enforcement officer is responding to a call for service related to a
violation or suspected violation of paragraph (1) of this subsection
for possessing or consuming an alcoholic beverage, marijuana,
hashish, or a cannabis item, or at the initiation of any other law
enforcement or investigative encounter between an officer and a
person related to a violation or suspected violation of that
paragraph, and shall remain activated until the encounter has fully
concluded and the officer leaves the scene of the encounter;
provided, however, that the video and audio recording functions of
a body worn camera shall not be deactivated pursuant to
subparagraph (a) of paragraph (2) of subsection c. of P.L.2020,
c.129 (C.40A:14-118.5), based on a request to deactivate the
camera by a person who is the subject of a responsive call for
service or law enforcement or investigative encounter related to a
violation or suspected violation of paragraph (1) of this subsection.

(5) As part of the process for the issuance of a written warning
or write-up to a person for a violation of paragraph (1) of this
subsection, the law enforcement officer shall take possession of any
alcoholic beverage, marijuana, hashish, or cannabis item from the
person, and any drug or cannabis paraphernalia for use with any
marijuana, hashish, or cannabis item. The existence and description
of the alcoholic beverage, marijuana, hashish, or cannabis item, and
any drug or cannabis paraphernalia shall be included in the sworn
statement that includes a description of the relevant facts and
circumstances that support the officer’s determination that the
person committed a violation, and which record is temporarily
maintained in accordance with this section to determine subsequent
possession or consumption violations, and track referrals for
accessing community services provided by a public or private
agency or organization due to a third or subsequent violation. Any
alcoholic beverage, marijuana, hashish, cannabis item, or drug or
cannabis paraphernalia obtained by the law enforcement officer
shall either be destroyed or secured for use in law enforcement
training or educational programs in accordance with applicable law and directives issued by the Attorney General.

(6) With respect to any violation of paragraph (1) of this subsection concerning the possession or consumption of an alcoholic beverage, marijuana, hashish, or any cannabis item:

(a) a person under the legal age to purchase alcoholic beverages or cannabis items shall not be photographed or fingerprinted, notwithstanding any provisions of section 2 of P.L.1982, c.79 (C.2A:4A-61) to the contrary;

(b) (i) any copy of any written warning or write-up issued to a person under the legal age to purchase alcoholic beverages or cannabis items, written notification provided to the person’s parent, guardian or other person having legal custody in accordance with section 3 of P.L.1991, c.169 (C.33:1-81.1a), sworn statement describing the relevant facts and circumstances that support an officer’s determination that a person committed a violation, or referrals for accessing community services provided by a public or private agency or organization pertaining to a third or subsequent violation shall be segregated and maintained in a separate physical location or electronic repository or database from any other records maintained by a law enforcement agency, and reported to the Attorney General in a manner so that they are similarly segregated and maintained in a separate physical location or electronic repository or database from other law enforcement records accessible to the Attorney General and State and local law enforcement agencies, and shall not be transferred to or copied and placed in any other physical location or electronic repository or database containing any other law enforcement records. These records shall only be used to the extent necessary to determine a subsequent violation of paragraph (1) of this subsection or to track referrals to agencies and organizations, and shall not be revealed, reviewed, or considered in any manner with respect to any current or subsequent juvenile delinquency matter, including but not limited to, a charge, filing, eligibility or decision for diversion or discharge, sentencing, other disposition, or related decision affecting the juvenile, or with respect to any current or subsequent prosecution for committing an offense or other violation of law, including but not limited to, a charge, filing, eligibility or decision for diversion or discharge, or sentencing, other disposition, or related decision affecting an adult under 21 years of age. Also, these records shall be deemed confidential and shall not be subject to public inspection or copying pursuant to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.), and their existence shall not be acknowledged based upon any inquiry in the same manner as if the records were expunged records pursuant to the provisions of subsection a. of N.J.S.2C:52-15.

The Attorney General may use the records described herein to generate the number of occurrences and other statistics concerning
first, second, third and subsequent violations of paragraph (1) of this subsection, the municipal, county or other geographic areas within which first, second, third and subsequent violations occur, and the law enforcement agencies involved in first, second, third and subsequent violations, which are to be compiled and made available by the Attorney General in accordance with section 4 of P.L.2021, c.25 (C.2C:33-15.1)\(^3\). The identity of any person named in a record shall not be revealed or included in the information to be compiled and made available in accordance with that section.

The records of violations shall only be maintained temporarily and shall be destroyed or permanently deleted as set forth in subparagraph (c) of this paragraph.

(ii) any records pertaining to a person’s acceptance of assistance from an agency or organization to which a law enforcement referral was made shall not be revealed, reviewed, or considered in any manner with respect to any current or subsequent juvenile delinquency matter, including but not limited to, a charge, filing, eligibility or decision for diversion or discharge, or sentencing, other disposition, or related decision affecting the juvenile, or with respect to any current or subsequent prosecution for committing an offense or other violation of law, including but not limited to, a charge, filing, eligibility or decision for diversion or discharge, or sentencing, other disposition, or related decision affecting an adult under 21 years of age. Also, these records shall be deemed confidential and shall not be subject to public inspection or copying pursuant to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.), and their existence shall not be acknowledged based upon any inquiry in the same manner as if the records were expunged records pursuant to the provisions of subsection a. of N.J.S.2C:52-15.

(c)\(^3\) all of the records maintained by a law enforcement agency and reported to the Attorney General as described in subsubparagraph (i) of subparagraph (b) of this paragraph shall be destroyed or permanently deleted by the law enforcement agency and Attorney General on the second anniversary following the creation of the record concerning a violation, or not later than the last day of the month in which that second anniversary date falls, or alternatively not later than the 21st birthday of a person who is the subject of a record, or not later than the last day of the month in which that birthday falls, whichever date occurs sooner, except that a record shall be maintained upon request by the person named in the record or representative thereof, the law enforcement officer who made the record, or the law enforcement agency currently maintaining the record if it involves a lawsuit, disciplinary complaint, or criminal prosecution arising from the violation described in the record, based on an assertion that the record has evidentiary or exculpatory value. Upon final disposition of the
matter for which the extended record retention was requested, the record shall be destroyed or permanently deleted.

(d) A law enforcement officer shall be guilty of the crime of official deprivation of civil rights as set forth in section 3 of P.L.2021, c.25 (C.36:35-6.1) for violating the provisions of paragraph (1) of this subsection that address law enforcement actions involving persons who are under the legal age to purchase alcoholic beverages or cannabis items.
