SYNOPSIS
Revises certain drunk driving penalties; expands use of ignition interlock devices.

CURRENT VERSION OF TEXT
As amended by the General Assembly on June 20, 2019.

(Sponsorship Updated As Of: 6/21/2019)
AN ACT concerning certain drunk driving offenses, amending various parts of the statutory law, and supplementing P.L.1999, c.417 (C.39:4-50.16 et al.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) The Legislature finds and declares that:
   a. State law has required repeat drunk drivers and drunk drivers with a high blood alcohol concentration (BAC) to install an ignition interlock device since January 2001, but installation of these devices is not mandatory for other first time offenders.
   b. Because a majority of drunk drivers, including first time offenders, often continue to drive with suspended licenses, ignition interlock devices are more effective in deterring drunk driving than license suspension.
   c. Ignition interlock devices are paid for by the offender and constitute a low cost solution to a dangerous and often fatal activity that imposes large social and economic costs on society. Studies indicate that the potential for interlock device programs to prevent alcohol-involved driving and alcohol-related crashes is most significant when the program is applied to a broader cross-section of offenders and a higher proportion of offenders are required to install the devices. To protect the public safety, states that currently do not require mandatory participation for all first time offenders should adopt strong interlock device programs to prevent future costly alcohol-related fatal crashes.
   d. For example, according to a recent national study by the Insurance Institute for Highway Safety (IIHS), state laws mandating interlock devices for drunk drivers reduced the number of drivers in fatal crashes with a blood alcohol content of 0.08 percent or higher by 16 percent compared to states with no interlock law, three percent when ignition interlock devices were required for repeat offenders, and eight percent when required for first time and repeat offenders.
   e. Reportedly, ignition interlock devices have prevented more than 73,740 attempts to drive with a BAC over the legal limit of 0.08 percent in this State over the past 11 years.
   f. Numerous organizations support requiring the use of ignition interlock devices by all convicted drunk drivers, including all first-time offenders, including: Mothers Against Drunk Driving, Advocates for Auto and Highway Safety, American Automobile Association, American Trucking Association, Auto Alliance,

(3) For a third or subsequent violation, a person shall be subject to a fine of $1,000, and shall be sentenced to imprisonment for a term of not less than 180 days in a county jail or workhouse, except that the court may lower such term for each day, not exceeding 90 days, served participating in a drug or alcohol inpatient rehabilitation program approved by the Intoxicated Driver Resource Center and shall thereafter forfeit the right to operate a motor vehicle over the highways of this State for 10 years.

For a third or subsequent violation, a person also shall be required to install an ignition interlock device under the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.).

As used in this section, the phrase “narcotic, hallucinogenic or habit-producing drug” includes an inhalant or other substance containing a chemical capable of releasing any toxic vapors or fumes for the purpose of inducing a condition of intoxication, such as any glue, cement or any other substance containing one or more of the following chemical compounds: acetone and acetate, amyl nitrite or amyl nitrate or their isomers, benzene, butyl alcohol, butyl nitrite, butyl nitrate or their isomers, ethyl acetate, ethyl alcohol, ethyl nitrite or ethyl nitrate, ethylene dichloride, isobutyl alcohol or isopropyl alcohol, methyl alcohol, methyl ethyl ketone, nitrous oxide, n-propyl alcohol, pentachlorophenol, petroleum ether, propyl nitrite or propyl nitrate or their isomers, toluene, toluol or xylene or any other chemical substance capable of causing a condition of intoxication, inebriation, excitement, stupefaction or the dulling of the brain or nervous system as a result of the inhalation of the fumes or vapors of such chemical substance.

Whenever an operator of a motor vehicle has been involved in an accident resulting in death, bodily injury or property damage, a police officer shall consider that fact along with all other facts and circumstances in determining whether there are reasonable grounds to believe that person was operating a motor vehicle in violation of this section.

A conviction of a violation of a law of a substantially similar nature in another jurisdiction, regardless of whether that jurisdiction is a signatory to the Interstate Driver License Compact pursuant to P.L.1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this subsection unless the defendant can
demonstrate by clear and convincing evidence that the conviction in
the other jurisdiction was based exclusively upon a violation of a
proscribed blood alcohol concentration of less than 0.08%.

If the driving privilege of any person is under revocation or
suspension for a violation of any provision of this Title or Title 2C
of the New Jersey Statutes at the time of any conviction for a
violation of this section, the revocation or suspension period
imposed shall commence as of the date of termination of the
existing revocation or suspension period. In the case of any person
who at the time of the imposition of sentence is less than 17 years
of age, the forfeiture, suspension or revocation of the driving
privilege imposed by the court under this section shall commence
immediately, run through the offender’s seventeenth birthday and
continue from that date for the period set by the court pursuant to
paragraphs (1) through (3) of this subsection. A court that imposes
a term of imprisonment for a first or second offense under this
section may sentence the person so convicted to the county jail, to
the workhouse of the county wherein the offense was committed, to
an inpatient rehabilitation program or to an Intoxicated Driver
Resource Center or other facility approved by the chief of the
Intoxicated Driving Program Unit in the Division of Mental Health
and Addiction Services in the Department of Health. For a third or
subsequent offense a person shall not serve a term of imprisonment
at an Intoxicated Driver Resource Center as provided in subsection
(f).

A person who has been convicted of a previous violation of this
section need not be charged as a second or subsequent offender in
the complaint made against him in order to render him liable to the
punishment imposed by this section on a second or subsequent
offender, but if the second offense occurs more than 10 years after
the first offense, the court shall treat the second conviction as a first
offense for sentencing purposes and if a third offense occurs more
than 10 years after the second offense, the court shall treat the third
conviction as a second offense for sentencing purposes.

(b) A person convicted under this section must satisfy the
screening, evaluation, referral, program and fee requirements of the
Division of Mental Health and Addiction Services’ Intoxicated
Driving Program Unit, and of the Intoxicated Driver Resource
Centers and a program of alcohol and drug education and highway
safety, as prescribed by the chief administrator. The sentencing
court shall inform the person convicted that failure to satisfy such
requirements shall result in a mandatory two-day term of
imprisonment in a county jail and a driver license revocation or
suspension and continuation of revocation or suspension until such
requirements are satisfied, unless stayed by court order in
accordance with the Rules Governing the Courts of the State of
New Jersey, or R.S.39:5-22. Upon sentencing, the court shall
forward to the Division of Mental Health and Addiction Services’
Intoxicated Driving Program Unit a copy of a person's conviction record. A fee of $100 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established pursuant to section 3 of P.L.1983, c.531 (C.26:2B-32) to support the Intoxicated Driving Program Unit.

(c) Upon conviction of a violation of this section, the court shall
collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the chief administrator. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R.S.39:3-40. The person convicted shall be informed orally and in writing. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. In the event that a person convicted under this section is the holder of any out-of-State driver's license, the court shall not collect the license but shall notify forthwith the chief administrator, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle in this State, in accordance with this section. Upon conviction of a violation of this section, the court shall notify the person convicted, orally and in writing, of the penalties for a second, third or subsequent violation of this section. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of this section.

(d) The chief administrator shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) in order to establish a program of alcohol education and highway safety, as prescribed by this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing the Courts of the State of New Jersey.

(f) The counties, in cooperation with the Division of Mental Health and Addiction Services and the commission, but subject to the approval of the Division of Mental Health and Addiction Services, shall designate and establish on a county or regional basis Intoxicated Driver Resource Centers. These centers shall have the capability of serving as community treatment referral centers and as court monitors of a person's compliance with the ordered treatment, service alternative or community service. All centers established
pursuant to this subsection shall be administered by a counselor certified by the [Alcohol and Drug Counselor] Addiction Professionals Certification Board of New Jersey or other professional with a minimum of five years' experience in the treatment of alcoholism. All centers shall be required to develop individualized treatment plans for all persons attending the centers; provided that the duration of any ordered treatment or referral shall not exceed one year. It shall be the center's responsibility to establish networks with the community alcohol and drug education, treatment and rehabilitation resources and to receive monthly reports from the referral agencies regarding a person's participation and compliance with the program. Nothing in this subsection shall bar these centers from developing their own education and treatment programs; provided that they are approved by the Division of Mental Health and Addiction Services.

Upon a person's failure to report to the initial screening or any subsequent ordered referral, the Intoxicated Driver Resource Center shall promptly notify the sentencing court of the person's failure to comply.

Required detention periods at the Intoxicated Driver Resource Centers shall be determined according to the individual treatment classification assigned by the Intoxicated Driving Program Unit. Upon attendance at an Intoxicated Driver Resource Center, a person shall be required to pay a per diem fee of $75 for the first offender program or a per diem fee of $100 for the second offender program, as appropriate. Any increases in the per diem fees after the first full year shall be determined pursuant to rules and regulations adopted by the Commissioner of Health in consultation with the Governor's Council on Alcoholism and Drug Abuse pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

The centers shall conduct a program of alcohol and drug education and highway safety, as prescribed by the chief administrator.

The Commissioner of Health shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), in order to effectuate the purposes of this subsection.

(g) [When a violation of this section occurs while:

(1) on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property;

(2) driving through a school crossing as defined in R.S.39:1-1 if the municipality, by ordinance or resolution, has designated the school crossing as such; or

(3) driving through a school crossing as defined in R.S.39:1-1 knowing that juveniles are present if the municipality has not designated the school crossing as such by ordinance or resolution,
the convicted person shall: for a first offense, be fined not less than $500 or more than $800, be imprisoned for not more than 60 days and have his license to operate a motor vehicle suspended for a period of not less than one year or more than two years; for a second offense, be fined not less than $1,000 or more than $2,000, perform community service for a period of 60 days, be imprisoned for not less than 96 consecutive hours, which shall not be suspended or served on probation, nor more than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and have his license to operate a motor vehicle suspended for a period of four years; and, for a third offense, be fined $2,000, imprisoned for 180 days in a county jail or workhouse, except that the court may lower such term for each day, not exceeding 90 days, served participating in a drug or alcohol inpatient rehabilitation program approved by the Intoxicated Driver Resource Center, and have his license to operate a motor vehicle suspended for a period of 20 years; the period of license suspension shall commence upon the completion of any prison sentence imposed upon that person.

A map or true copy of a map depicting the location and boundaries of the area on or within 1,000 feet of any property used for school purposes which is owned by or leased to any elementary or secondary school or school board produced pursuant to section 1 of P.L.1987, c.101 (C.2C:35-7) may be used in a prosecution under paragraph (1) of this subsection.

It shall not be relevant to the imposition of sentence pursuant to paragraph (1) or (2) of this subsection that the defendant was unaware that the prohibited conduct took place while on or within 1,000 feet of any school property or while driving through a school crossing. Nor shall it be relevant to the imposition of sentence that no juveniles were present on the school property or crossing zone at the time of the offense or that the school was not in session. [Deleted by amendment, P.L. c. (pending before the Legislature as this bill)]

(h) A court also may order a person convicted pursuant to subsection (a) of this section, to participate in a supervised visitation program as either a condition of probation or a form of community service, giving preference to those who were under the age of 21 at the time of the offense. Prior to ordering a person to participate in such a program, the court may consult with any person who may provide useful information on the defendant's physical, emotional and mental suitability for the visit to ensure that it will not cause any injury to the defendant. The court also may order that the defendant participate in a counseling session under the supervision of the Intoxicated Driving Program Unit prior to participating in the supervised visitation program. The supervised visitation program shall be at one or more of the following facilities
which have agreed to participate in the program under the supervision of the facility's personnel and the probation department:

(1) a trauma center, critical care center or acute care hospital having basic emergency services, which receives victims of motor vehicle accidents for the purpose of observing appropriate victims of drunk drivers and victims who are, themselves, drunk drivers;

(2) a facility which cares for advanced alcoholics or drug abusers, to observe persons in the advanced stages of alcoholism or drug abuse; or

(3) if approved by a county medical examiner, the office of the county medical examiner or a public morgue to observe appropriate victims of vehicle accidents involving drunk drivers.

As used in this section, "appropriate victim" means a victim whose condition is determined by the facility's supervisory personnel and the probation officer to be appropriate for demonstrating the results of accidents involving drunk drivers without being unnecessarily gruesome or traumatic to the defendant.

If at any time before or during a visitation the facility's supervisory personnel and the probation officer determine that the visitation may be or is traumatic or otherwise inappropriate for that defendant, the visitation shall be terminated without prejudice to the defendant. The program may include a personal conference after the visitation, which may include the sentencing judge or the judge who coordinates the program for the court, the defendant, defendant's counsel, and, if available, the defendant's parents to discuss the visitation and its effect on the defendant's future conduct. If a personal conference is not practicable because of the defendant's absence from the jurisdiction, conflicting time schedules, or any other reason, the court shall require the defendant to submit a written report concerning the visitation experience and its impact on the defendant. The county, a court, any facility visited pursuant to the program, any agents, employees, or independent contractors of the court, county, or facility visited pursuant to the program, and any person supervising a defendant during the visitation, are not liable for any civil damages resulting from injury to the defendant, or for civil damages associated with the visitation which are caused by the defendant, except for willful or grossly negligent acts intended to, or reasonably expected to result in, that injury or damage.

The Supreme Court may adopt court rules or directives to effectuate the purposes of this subsection.

(i) In addition to any other fine, fee, or other charge imposed pursuant to law, the court shall assess a person convicted of a violation of the provisions of this section a surcharge of $125, of which amount $50 shall be payable to the municipality in which the conviction was obtained, $50 shall be payable to the Treasurer of the State of New Jersey for deposit into the General Fund, and $25
which shall be payable as follows: in a matter where the summons
was issued by a municipality's law enforcement agency, to that
municipality to be used for the cost of equipping police vehicles
with mobile video recording systems pursuant to the provisions of
section 1 of P.L.2014, c.54 (C.40A:14-118.1); in a matter where the
summons was issued by a county's law enforcement agency, to that
county; and in a matter where the summons was issued by a State
law enforcement agency, to the General Fund.
(cf: P.L.2014, c.54, s.2)

3. Section 2 of P.L.1981, c.512 (C.39:4-50.4a) is amended to
read as follows:

2. a. [Except as provided in subsection b. of this section, the]
   The municipal court shall [revoke the right to operate a motor
   vehicle of] order any [operator] person who, after being arrested
   for a violation of R.S.39:4-50 or section 1 of P.L.1992, c.189
   (C.39:4-50.14), [shall refuse] refuses to submit, upon request, to a
   test provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2)
   [when requested to do so, for not less than seven months or more
   than one year unless];

   (1) if the refusal was in connection with a first offense under this
   section, to forfeit the right to operate a motor vehicle over the
   highways of this State until the person installs an ignition interlock
   device in one motor vehicle owned, leased, or principally operated
   by the person, whichever the person most often operates, for the
   purpose of complying with the provisions of P.L.1999, c.417

   years or unless], to forfeit the right to operate a motor vehicle over
   the highways of this State for a period of not less than one year or
   more than two years following the installation of an ignition
   interlock device in one motor vehicle owned, leased, or principally
   operated by the person, whichever the person most often operates,
   for the purpose of complying with the provisions of P.L.1999, c.417
   (C.39:4-50.16 et al.);

   (3) if the refusal was in connection with a third or subsequent

   highways of this State for a period of eight years following the
   installation of an ignition interlock device in one motor vehicle
   owned, leased, or principally operated by the person, whichever the
   person most often operates, for the purpose of complying with the
   or administrative determination of a violation of a law of a
   substantially similar nature in another jurisdiction, regardless of
   whether that jurisdiction is a signatory to the Interstate Driver
License Compact pursuant to P.L.1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this section.

The municipal court shall determine by a preponderance of the evidence whether the arresting officer had probable cause to believe that the person had been driving or was in actual physical control of a motor vehicle on the public highways or quasi-public areas of this State while the person was under the influence of intoxicating liquor or a narcotic, hallucinogenic, or habit-producing drug or marijuana; whether the person was placed under arrest, if appropriate, and whether he refused to submit to the test upon request of the officer; and if these elements of the violation are not established, no conviction shall issue. In addition to any other requirements provided by law, a person whose operator's license is revoked for refusing to submit to a test shall be referred to an Intoxicated Driver Resource Center established by subsection (f) of R.S.39:4-50 and shall satisfy the same requirements of the center for refusal to submit to a test as provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) in connection with a first, second, third or subsequent offense under this section that must be satisfied by a person convicted of a commensurate violation of this section, or be subject to the same penalties as such a person for failure to do so. For a first offense, the revocation may be concurrent with or consecutive to any revocation imposed for a conviction under the provisions of R.S.39:4-50 arising out of the same incident. For a second or subsequent offense, the revocation shall be consecutive to any revocation imposed for a conviction under the provisions of R.S.39:4-50. In addition to issuing a revocation, except as provided in subsection b. of this section, the municipal court shall fine a person convicted under this section, a fine of not less than $300 or more than $500 for a first offense; a fine of not less than $500 or more than $1,000 for a second offense; and a fine of $1,000 for a third or subsequent offense. The person also shall be required to install an ignition interlock device pursuant to the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.).

b. For a first offense, the fine imposed upon the convicted person shall be not less than $600 or more than $1,000 and the period of license suspension shall be not less than one year or more than two years; for a second offense, a fine of not less than $1,000 or more than $2,000 and a license suspension for a period of four years; and for a third or subsequent offense, a fine of $2,000 and a license suspension for a period of 20 years when a violation of this section occurs while:

(1) on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property;
(2) driving through a school crossing as defined in R.S.39:1-1 if the municipality, by ordinance or resolution, has designated the school crossing as such; or

(3) driving through a school crossing as defined in R.S.39:1-1 knowing that juveniles are present if the municipality has not designated the school crossing as such by ordinance or resolution.

A map or true copy of a map depicting the location and boundaries of the area on or within 1,000 feet of any property used for school purposes which is owned by or leased to any elementary or secondary school or school board produced pursuant to section 1 of P.L.1987, c.101 (C.2C:35-7) may be used in a prosecution under paragraph (1) of this subsection.

It shall not be relevant to the imposition of sentence pursuant to paragraph (1) or (2) of this subsection that the defendant was unaware that the prohibited conduct took place while on or within 1,000 feet of any school property or while driving through a school crossing. Nor shall it be relevant to the imposition of sentence that no juveniles were present on the school property or crossing zone at the time of the offense or that the school was not in session.}

4. Section 2 of P.L.1999, c.417 (C.39:4-50.17) is amended to read as follows:

2. a. (1) Except as provided in paragraph (2) of this subsection, (a) in sentencing a first offender under subparagraph (i) of paragraph (1) of subsection (a) of R.S.39:4-50, whose blood alcohol concentration was at least 0.08% but less than 0.10%, or who was otherwise under the influence of intoxicating liquor, the court [may] shall order, in addition to any other penalty imposed by that section, the installation of an ignition interlock device in the one motor vehicle owned, leased, or principally operated by the offender following the expiration of the period of license suspension imposed under that section. In sentencing a first offender under section 2 of P.L.1981, c.512 (C.39:4-50.4a), the court shall order, in addition to any other penalty imposed by that section, the installation of an ignition interlock device in the motor vehicle principally operated by the offender during and following the expiration of the period of license suspension imposed under that section. The device, whichever the offender most often operates, which shall remain installed for not less than six months or more than one year, commenced immediately upon the return of the offender's driver's license after the required period of suspension has been served three months.

(b) In sentencing a first offender under subparagraph (ii) of paragraph (1) of subsection (a) of R.S.39:4-50 whose blood alcohol
concentration was 0.10% or higher, but less than 0.15%, the court shall order, in addition to any other penalty imposed, the installation of an ignition interlock device in one motor vehicle owned, leased, or principally operated by the offender, whichever the offender most often operates, which shall remain installed for not less than seven months or more than one year.

(2) If the first offender's blood alcohol concentration is 0.15% or higher, or the offender violated section 2 of P.L.1981, c.512 (C.39:4-50.4a), the court shall order, in addition to any other penalty imposed under R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a), the installation of an ignition interlock device in one motor vehicle owned, leased, or principally operated by the offender, whichever the offender most often operates, during and following the expiration of the period of license forfeiture imposed under that section those sections. In addition to installation during the period of license suspension, the device shall remain installed for not less than six months or more than one year 15 months, commencing immediately upon installation of the device and the return of the offender's driver's license pursuant to section 3 of P.L.1999, c.417 (C.39:4-50.18) after the required period of forfeiture has been served.

c. The court shall require that, for the duration of its order, an offender shall not drive any vehicle other than one in which an ignition interlock device has been installed pursuant to the order. The offender shall provide to the court information identifying the motor vehicle on which the ignition interlock is to be installed, and any other information deemed relevant by the court, including, but not limited to, the offender's complete name, address, date of birth, eye color, and gender. An offender who does not own, lease, or operate a motor vehicle shall attest to this to the court. A violation of this provision shall constitute perjury pursuant to N.J.S.2C:28-1. An offender immediately shall notify the court of
the purchase, lease, or access to operation of a motor vehicle and

The driver’s license of an offender who attests to not owning,

equivalence measuring device which will prevent a motor vehicle
from starting if the operator's blood alcohol [content] concentration
exceeds a predetermined level when the operator blows into the
device.

e. The provisions of P.L.1999, c.417 (C.39:4-50.16 et al.) and
any amendments and supplements thereto shall be applicable only
to violations of R.S.39:4-50 and section 2 of P.L.1981, c.512
(C.39:4-50.4a).

of the [Division of] New Jersey Motor [Vehicles] Vehicle

interlock device in a vehicle [owned, leased or regularly operated
by the person] pursuant to the provisions of P.L.1999, c.417
(C.39:4-50.16 et al.). The [division] commission shall require that
the device be installed before [reinstatement] restoration of the
person's driver's license that has been [suspended] forfeited
pursuant to R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-
50.4a).

vehicle unless it is equipped with an ignition interlock device and
shall enter this requirement in the person's driving record. The
expiration date of the device requirement shall not be imprinted on
the license.

c. Notwithstanding the provisions of section 2 of P.L.1999,
c.417 (C.39:4-50.17), an ignition interlock device shall be removed
on the date the person completes the installation period only if the
person submits to the chief administrator a certification from the
vendor that:
(1) during the final 30 days of the installation period there was
not more than one failure to take or pass a test with a blood alcohol
concentration of 0.08% or higher unless a re-test conducted within
five minutes of the initial test indicates a blood alcohol
concentration of less than 0.08%; and

(2) the person complied with all required maintenance, repair,
calibration, monitoring, and inspection requirements related to the
device.

d. If the vendor does not issue a certification to the person
because there were two or more violations of paragraph (1) of
subsection c. of this section, the vendor shall forward the violation
information to the chief administrator and the court. The court shall
decide whether to extend the period of ignition interlock device
installation for up to 90 days or issue the certification to the chief
administrator.

(cf: P.L.1999, c.417, s.3)

   b. whether the offender qualifies for a reduced fee for monthly
      rental of an ignition interlock device pursuant to section 6 of
      P.L.2009, c.201 (C.39:4-50.17a) categorized by family income
      exceeding 100 percent or 149 percent of the federal poverty level;
      the percentage these offenders constitute of the total number of
      offenders; and the number of these offenders that reside in each
      county;
   c. the average length of time an offender maintains installation
      of the device categorized by the offender’s number of convictions;
      and
   d. the percent of offenders who remove the ignition interlock
device because they are unable to afford continued installation.

§[6] 7. This act shall take effect on the first day of the fourth
month after enactment and shall apply to any offense occurring on
or after that date; the act shall expire on the first day of the fifth
year next following the effective date. The Chief Administrator of
the New Jersey Motor Vehicle Commission may take any
anticipatory administrative action in advance of that date as shall be
necessary to implement the provisions of this act.
