Gentleman:

The ban on even having Pre-Trial Conferences is a burden to landlords such as myself. I have a tenant who has collected her unemployment, plus her extra Federal payments, and has not paid a dime towards her rent nor responded to multiple attempts to arrange some sort of payment. Additionally, she had me apply her Security Deposit per the Governor, to her rent. She is over \$25,000 in arrears, and I am the one holding the bag. When will this nonsense end?
