The Cape May ceremony will be held on Nov. 20 at 11 a.m. in courtroom C of the Cape May County Courthouse, 9 North Main St., Cape May Court House. Superior Court Judge John C. Porto will preside over the event. Three will graduate from the program and two will commence into the final phase. Michael DeLeon from the Steered Straight Program will be the keynote speaker

Assignment Judge Julio L. Mendez and Trial Court Administrator Howard H. Berchtold Jr. will offer comments at both ceremonies.

The drug court program is a highly specialized team process within the existing Superior Court structure that addresses nonviolent drug-related cases. Drug courts are unique in the criminal justice environment because they build a close collaborative relationship between criminal justice and drug treatment professionals.

Drug courts programs are rigorous, requiring completion of four phases during five years of intensive drug and alcohol treatment and testing. Participants follow a tightly structured regimen of treatment and recovery. This level of supervision permits the program to support the recovery process, but also allows supervisors to react swiftly to impose appropriate therapeutic sanctions or to reinstate criminal proceedings when participants do not comply with the program.
