

Judiciary Electronic Document Submission (JEDS)

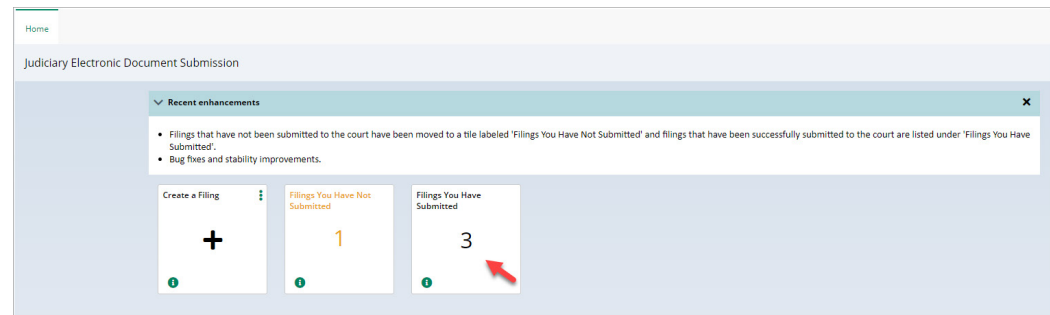

View My Submitted Filings

The quick reference guide below is a step-by-step process for viewing the list of submitted filings.

Process

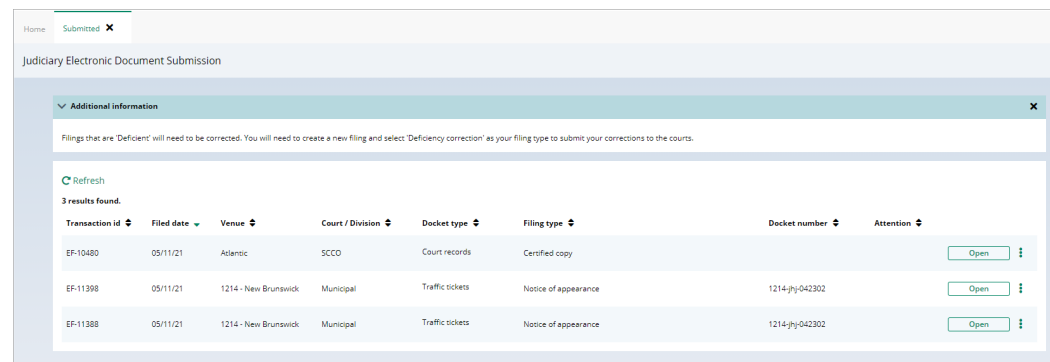

Screenshot

1. On the Home Page, select 'Filings You Have Submitted' tile

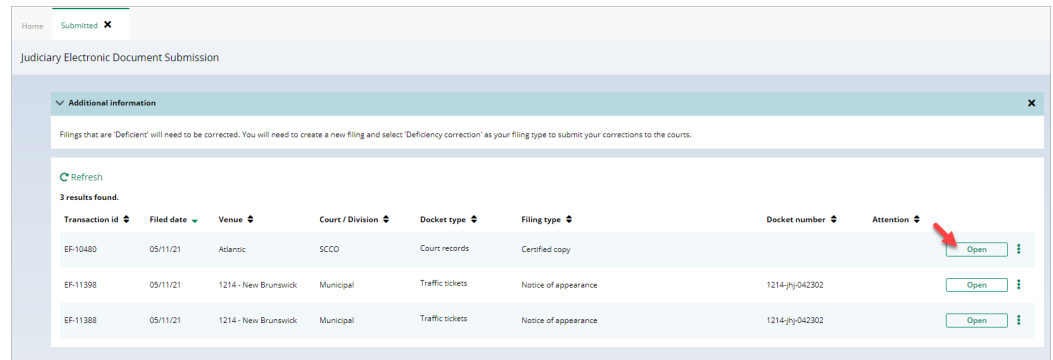

2. List of your submissions will display. Select 'Refresh' to update your list.

Note: To sort by a column, select the arrows

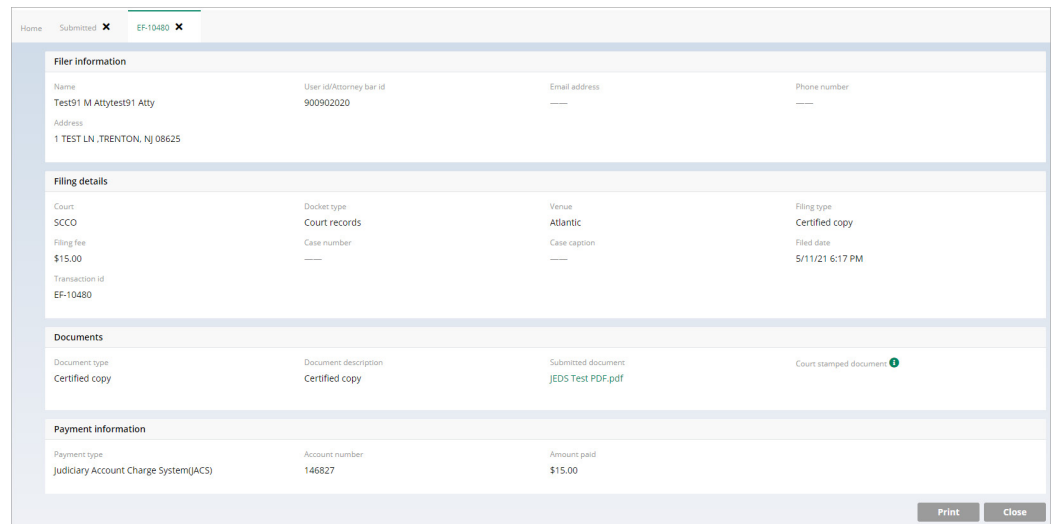

3. Select 'Open' to see the filing details

4. Filing details will display including the court stamped documents, if available.

- For Superior Court filings submitted with a case number, the court stamped document will appear upon entry to the electronic case jacket.
- For Superior Court filings submitted without a case number, the court stamped documents will appear once staff processes the filing.
- For Municipal Court filings, the court stamped document will appear in the case jacket.

5. Filings that are deficient will be marked 'Deficient' in the 'Attention' column. When you hover over or select the 'Deficient' token, the details will display.

Home Submitted X

Judiciary Electronic Document Submission

Additional Information X

Filings that are 'Deficient' will need to be corrected. You will need to create a new filing and select 'Deficiency correction' as your filing type to submit your corrections to the courts.
