

Transfer of Bail C Waiver of Fee

Directive #2-70
Issued by:

October 7, 1970
Edward B. McConnell
Administrative Director

It has come to the attention of the Administrative Office that the practice in some of the counties with regard to the transfer of bail from municipal courts to the Superior Court is not in accordance with *R. 1:13-2*.

The rule clearly states that clients of the Public Defender are not to be charged any filing fees. The waiver applies to all fees, including bail bond filings and their discharge.

EDITOR-S NOTE

The only change is the deletion of "County Courts" and the insertion of "the Superior Court" in paragraph one.
