

Opinions C Corrections

Directive #20-71
Issued by:

April 24, 1972
Edward B. McConnell
Administrative Director

As you know the New Jersey Official Reports are published by the West Publishing Company under contract with the State of New Jersey. All Supreme Court opinions and the opinions of other courts (if approved for publication by the Committee on Opinions) are edited for style in this office in accordance with the *Manual of Style for Judicial Opinions* (July 15, 1992). After publication in the Advance Sheets there is an opportunity for corrections to be made in the opinions as published before their inclusion in the bound volumes. In order to avoid confusion in this regard it would be appreciated if you would send to this office, rather than directly to West, any corrections either in your opinion as originally filed or in the opinion as it appears in the Advance Sheets. We will then assume responsibility for notifying West.

Your cooperation in this regard will be appreciated.

EDITOR-S NOTE

The only change has been the insertion of the 1992 manual in place of the former manual.
