RE: Docketing Special Civil Part Judgments (Revised Statement for Docketing Form)

DATE: September 27, 2017

This promulgates for immediate use the attached revised Statement for Docketing form for Special Civil Part judgments. The form, which is an electronic form generated by eCourts DC (Special Civil), is to be produced locally by the Special Civil Part Office when requested by a judgment creditor, issued in the name of the Clerk of the Superior Court. It eliminates the requirement of the Clerk's certification. The revision allows the judgment creditor to enter additional costs onto the Statement for Docketing form. The judgment creditor may also amend the Statement for Docketing form so that it mirrors the complaint's caption. The judgment creditor continues to be required to certify to the total judgment due pursuant to N.J.S.A. 2A:18-34, including all interest, costs and credits, when filing the Statement for Docketing and its applicable fee with the Superior Court Clerk's Office.

Attached are the electronically generated template of the form as well as a sample form with the fields completed for illustrative purposes.

In furtherance of the New Jersey Judiciary's implementation of electronic filing, Statement for Docketing requests will not be accepted in eCourts DC (Special Civil Part) until any and all active executions issued to a Special Civil Part Court Officer have been returned, as required by N.J.S.A. 2A:18-35. Judgment creditors filing in eCourts will receive a notification that they must first contact the applicable Special Civil Part Officer(s) and request the return of all active executions.

For Small Claims matters and for Special Civil Part (DC) actions where hard copy paper filings are still required to be filed by self-represented litigants who are not attorneys, the procedure will continue to be that the judgment creditor must request the Special Civil Part Office to issue a Statement for Docketing and otherwise comport with the filing requirements of Rule 6:1-1(f).
