John A. Tonelli, Executive Director  
Advisory Committee on Judicial Misconduct  
25 West Market Street  
Trenton, New Jersey 08625

**RE: Robert Jones**

Dear Mr. Tonelli:

Please accept the following letter in lieu of filing a formal answer to the pending complaint against Judge Jones before the Advisory Committee on Judicial Conduct.

Judge Jones has decided not to dispute any of the allegations set forth in the complaint and will ask the Committee to deem them as having been proved by clear and convincing evidence. The respondent would seek an opportunity to appear before the committee to offer testimony by way of mitigation related to the quantum of discipline to be recommended by the committee to the Supreme Court.

Thank you for your courtesy.

Very truly yours,

**DONINI & RAMSEY**

**ROBERT RAMSEY**
