CLE Program - "Tools for Advancing Equity: Engaging in the Elimination of Bias"

Engaging in the elimination of bias requires daily commitment and sustained attention to the way we think, speak, and make decisions. Recognizing our implicit, or unconscious, biases is key to these continuing efforts. All of us by virtue of being human beings have implicit biases. This practical experiential workshop expands our ability to recognize implicit bias and presents tools for us to engage in the elimination of bias – explicit and implicit – personally and professionally.

Offered by the New Jersey Judiciary Diversity, Inclusion, and Community Engagement Program, CLE Provider #1720. 2.0 credits in Ethics/Professionalism: Diversity, Inclusion, and the Elimination of Bias.

Questions should be directed to Diversity, Inclusion, and Community Engagement Program Coordinator Lisa Burke at diversity.mailbox@njcourts.gov.
