President
Garden State Bar Association

MODERATED BY
Glenn A. Grant
Administrative Director of the Courts

The quest to achieve and maintain wellness can be particularly challenging for members of the legal profession. In addition to the intrinsic challenges of the practice of law, attorneys over the past three years have confronted the stresses of a global pandemic that affected everyone's professional and personal spheres.

This continuing legal education (CLE) program event will address these issues by providing a forum for members of the legal community to explore strategies for attorneys to achieve and maintain wellness.

Panelists will share personal experiences, provide updates on available resources for attorneys in need of assistance, and answer questions. The hope is that the program will equip participants to better take care of ourselves and each other.

Pre-registration is required. This event is free and open to the public. For more information on resources available to legal professionals visit, New Jersey Lawyers Assistance Program and the NJSBA Lawyers Helping Lawyers.

NOTE: The New Jersey Judiciary Diversity, Inclusion, and Community Engagement Program is an approved CLE provider (# 1720). This event is 1.8 CLE credits in ethics/professionalism.
