Reciprocity: Attorneys will receive 1:1 credit for courses accredited by another mandatory CLE jurisdiction, provided the credits and/or courses are not otherwise excluded by the BCLE Regulations. Attorneys admitted to the New Jersey bar beginning in 2010 may also have to demonstrate that they completed 16 credits in a minimum of 6 New Jersey new admit subject areas. A minimum of one credit must be taken in New Jersey Attorney Trust & Business Accounting Fundamentals under BCLE Reg. 201:2. List the courses that you completed in chronological order in the Course information section below. Attach your Certificates of Attendance or official transcript of another jurisdiction.

Non-Compliant Payment

Previously, an intermittent technical issue may have permitted a CLE non-compliant attorney to complete registration without either the fee being assessed through registration or advising the attorney of the requirement to send a check.

Error handling has been introduced so that if an attorney is CLE non-compliant and the fee cannot be paid via total registration payment, then a message will display advising the user to submit a check or money order. Additionally, an email alert will also be sent to internal staff.

The following message will display on the payment screen:

"Due to a technical issue, the \$50.00 noncompliance fee cannot be collected through registration; therefore, please remit your \$50.00 check or money order payable to "Treasurer, State of New Jersey" to the following address: Supreme Court of New Jersey, Board on Continuing Legal Education. PO Box 965, Trenton, NJ 08625-0965.

You can continue to complete your annual registration by making the annual assessment payment. Should you have any questions, please contact the Board on Continuing Legal Education for further information at the above address or by telephone at (609) 633-9733."

Attorney Registration – ACH Dishonored Process – Report

Several fixes have been deployed to fix issues with the ACH Dishonored Report:

- C codes have been removed from the dishonored list. Only R codes will display on the report.
- Code R13 has been updated to read "RDFI not qualified to participate or invalid routing number".
- The Dishonored Report 0308 format has been updated:

-041222010 -041842011 -042362011 -043871994 -044221994 -046102005 -047601994 -120962014 -156472015 -162822015 -203172016 -219662016 -219662016 -219662016 -219662019 -236492017 -271732018 -279572019 -329042021 -334482021 -374452021

Subtotal for Re	eturn Code R03	2				\$11,304
TOTAL Return	for ACH:	2				\$11304

Attorney Registration – ACH Dishonored Process – Misc. Fee Fix

A fix has been deployed so that if a firm's ACH payment is dishonored multiple times., the first bank misc. fee is not removed.

Previously:

- 1. Firm made an ACH payment for multiple attorneys
- 2. The payment was dishonored
- 3. The \$10.50 bank misc. fee was added
- 4. Firm makes a second ACH payment for multiple attorneys
- 5. The payment is dishonored
- 6. The first \$10.50 bank misc. fee was removed
- 7. A second \$10.50 bank misc. was added

The fix corrects this behavior and if a firm has 2 dishonored ACH payments, two bank misc. fees will be added.

EAMS Malpractice COI Review Workbasket Enhancements

A number of enhancements have been deployed to the EAMS internal workbasket for review of Certificates of Insurance uploaded by external users.

A *required* text box has been added for up to 500 characters when the reason for a COI rejection is 'Other':

Policy status *		Reason *	Other reason *
Reject	•	Other 🗸	
			 Remaining: 500 characters

"Previously Submitted" has been added as a new rejection reason and "Incomplete Redaction" has been updated to "Incorrect Redaction":

Policy status *	Reason *
Reject 🗸	Select 🗸
Ţ	Select Incorrect Redaction Incorrect Policy Info Incorrect Document Previously Submitted Other

All rejection reasons aside from 'Other' now have an *optional* text box for up to 500 characters:

Policy status *	Reason *	Notes
Reject	Incorrect Redaction	
		Remaining: 500 characters

A fix has been deployed so that internal users can open all pending Certificates of Insurance uploaded by external users prior to the deployment of validations for uploads. This fix allows internal users to select the pending uploads and reject the COIs.

The System Will Only Accept Certificates of Insurance in PDF Format

A fix has been deployed so that the system will accept only PDF documents for upload. Users receive an error message if the upload of a Certificate of Insurance fails due to the selection of a non-PDF document type for upload. The validation prevents a failed upload from saving any data entered into the system for that upload attempt and ensures that users are aware the upload was unsuccessful.

Previously, no error message displayed when an upload failed, and the system saved the data entered with the failed upload to the internal workbasket. Now users will be informed that the upload failed because the document was not a PDF.

Steps:

Users access the system via the COI tile or a link:

The upload process is begun:

EAMS Workbasket

The validations described above enhance the internal EAMS workbasket by preventing the display of failed Certificate of Insurance uploads in the workbasket. The system now: 1) displays an error message if a user attempts to upload a COI that is not in PDF format; and 2) permits a PDF to be uploaded whether the file extension is in upper or lower case letters (COI.PDF and COI.pdf are both permitted). The result is that internal users will have fewer rejections based on upload failures.

Additional validation fixes are in progress.

The workbasket will no longer contain entries where the upload failed because the COI was not in PDF format or because it had an upper case file extension:

2022 Verbiage Updates Have Been Made in Attorney Registration

Attorney registration has been updated to reflect the 2022 deadlines for billing registration and CLE compliance reporting.

Billing and payment deadlines for 2022:

New Jersey attorneys are required to electronically file a registration statement annually in a form prescribed by the Administrative Director of the Courts with approval of the Supreme Court and to pay an assessment in an amount determined by the Supreme Court. That registration statement requires the attorney to provide information related to the attorney's email address and cell phone number, pro bono status, continuing legal education (if applicable) and to pay the applicable assessment. By Order of the Supreme Court dated July 29, 2019, Rule 1:20 and Rule 1:21 were amended to require attorneys to provide "an email address and a cell phone number." That information will be used for official Judiciary business purposes and will not be accessible to the public, unless the email address is also used for electronic filing notifications. Additionally, the cell phone number and/or email address will be utilized by the Judiciary for two-factor authentication. Attorneys are required to update any changes to their cell phone number or email address within 30 days of the change. The annual assessment is used to support the attorney discipline system, the Lawyers' Fund for Client Protection, the Board on Continuing Legal Education and the New Jersey Lawyers Assistance Program. The deadline for payment without the \$40 late fee is February 25, 2022. Attorneys who fail to register and pay the annual assessment by April 29, 2022 will be declared ineligible to practice law by Order of the Supreme Court. CLE compliance reporting:

Acknowledgement

For information on New Jersey's mandatory continuing legal education requirement and compliance reporting, click here.

GROUP 1 ATTORNEYS (BIRTH MONTH JANUARY THROUGH JUNE) ARE DUE TO REPORT COMPLIANCE WITH THE CONTINUING LEGAL EDUCATION (CLE) REQUIREMENT DURING THE 2022 ATTORNEY REGISTRATION PROCESS.

Pursuant to BCLE Reg. 402:1, attorneys who report that they have not completed the CLE requirement by 12/31/2021 will be assessed a \$50 noncompliance fee and given a grace period until 6/24/2022 to complete their CLE requirement. Upon completion of the CLE credits, they MUST return to this on-line registration system to report final compliance on or before 6/24/2022. After the expiration of the grace period, attorneys can no longer report CLE compliance through the on-line registration system.

Those who fail to complete and/or report CLE compliance by the expiration of the grace period will be assessed an additional \$50 noncompliance fee, for a total of \$100, and be required to submit a reporting form provided by the Board, along with documentation proving compliance.

Attorneys who remain noncompliant with the CLE requirement are subject to being declared administratively ineligible to practice New Jersey law. To be removed from the CLE Ineligible List, attorneys must make up all required credits for each compliance period that they are noncompliant and pay all required fees.

Diversity Training Verbiage Update

The verbiage regarding the Judiciary's diversity training has been updated on the CLE reporting screen:

Effective January 1, 2021, the number of total ethics and professionalism credits required during a compliance-reporting period increased from four to five credit hours and must include at least two credit hours of coursework in diversity, inclusion, and elimination of bias. Diversity, inclusion, and elimination of bias programs and courses relevant to the practice of law may include, among other topics, implicit and explicit bias, equal access to justice, serving a diverse population, diversity and inclusion initiatives in the legal profession, and cultural competency in the practice of law or the administration of justice. Read the Notice and Order.

The Judiciary's Diversity, Inclusion, and Community Engagement Program plans to offer a series of free real-time virtual courses on implicit bias and elimination of bias.

For questions relating to CLE compliance, please contact the Board on Continuing Legal Education at (609) 815-2930 or email SCTCLE.mailbox@njcourts.gov

Employer Registration Update

In addition to updates to the billing and payment deadlines, employer registration now provides contact information for the NJ Lawyers' Fund for Client Protection:

Employer Payment Center
Welcome to the employer page of the Online Registration and Payment Center. You can pay the registration fees for multiple attorneys with a single online transaction using American Express, VISA, MasterCard, Discover, ACH Debit or JACS.
Before you begin, please note that your attorneys must first sign into the Online Attorney Registration and Payment Center to complete their registrations and "Opt for employer pay". You may remit payment only for those attorneys who have completed this step (status "Complete"). You can return later to pay for those who have not yet done so (status "Incomplete").
The 2022 deadline for payment without incurring the \$40 late fee for each unpaid attorney is February 25, 2022. Payment is ultimately the individual responsibility of each New Jersey attorney. Employers are allowed to pay for an attorney as a convenience. Attorneys who fail to comply with both the registration and payment requirements by the final deadline of April 29, 2022 will be placed on the Supreme Court's Ineligible to Practice List and must immediately cease practicing. The licenses of attorneys whose names are entered on the Ineligible List for seven consecutive years will be revoked by the Court.
Note: For questions relating to payments, please contact NJ Lawyers' Fund for Client Protection at 855-533-FUND (3863) or email

Upload of Certificate of Insurance in Attorney Registration

Certificates of Insurance (sometimes referred to as "COI") can now be uploaded in the attorney registration application. This enhancement is designed to faciliatate compliance with the Supreme Court rules requiring professional liability insurace for certain practititioners. The expectation is that this functionality will be primarily utilized by sole practitioners because firms or insurance agents generally submit Certificates of Insurance to the Supreme Court on behalf of the firm and all its affiliated attorneys.

A link and a tile will dynamically display based on the attorney's answers to a series of new questions within attorney registration. Attorneys can login to attorney registration at any time to upload a Certificate of Insurance.

In order to upload a Certificate of Insurance in attorney registration, attorneys must indicate that they are in private practice and that they are either: 1) *required* to secure professional liability insurance; or 2) not required but *choose* to do so.

Steps:

Upload Process

In an effort to make upload convenient, there are two options for uploading a COI:

- 1) at the end of the attorney registration process; or
- 2) via a tile on the Home screen.

Attorneys choosing to perform the upload at the end of attorney registration can do so using a **link on the 'Payment Confirmation' screen** without the requirement of accessing a separate tile. Attorneys who wish to upload a COI but do not desire or need to complete the entire attorney registration process can answer the questions detailed above and then utilize the **'Certificate of Insurance' tile from the Home screen**.

From the "Payment Confirmation" screen, click the 'Submit' link.

Note the tool tip advising that most firms perform the upload on behalf of their affiliated attorneys.

From the "Home" screen, click the 'Certificate of Insurance' tile:

Both upload access options result in the display of the following screen:

- 1) 'Insured' section displaying the firm/entity insured
- 2) Firm **billing email**
- 3) '**Certificates on File'** section displaying up to the last five (5) years worth of Certificates of Insurance currently uploaded for the insured
- 4) A 'View' button that will display a PDF of the COIs
- 5) 'Documents' section for uploading Certificates of Insurance
