(p2e)

This symbol means that the appeal was originally filed by a self-represented litigant. Self-represented litigants are required to submit their documents by paper (or email). For cases filed after February 1st, 2021, an electronic version will be created and accessible from my case list, for NJ licensed attorneys. After the electronic version is created a system generated email notification will be sent to all counsel entered at case initiation. Self-represented litigants are still required to serve all parties, including the Appellate Division, in paper. NJ licensed attorneys in good standing will be required to submit filings in P2E case types electronically and also provide paper copies to the self-represented litigant unless all parties have agreed upon electronic service; acknowledgement of the same would be done by filing a letter or via communication with the case manager. The self-represented party would also be required to provide a valid email address. **Paper cases received prior to February 1st will not be available in eCourts Appellate and filings for those case types should continue to be submitted in paper.*

New Jersey Court System

The Judiciary, or justice system, is one of the three co-equal but independent branches of state government established in New Jersey by the 1947 state constitution. Courts are a very visible part of our legal system. Each year, about seven million new cases are filed in New Jersey's state-level courts. The decisions that are made in our courts influence people's lives in countless ways.

Judiciary Informational Message

The New Jersey Judiciary is implementing a multi-phase operational effort to enable more secure user access to Judiciary web-based applications. The first phase, effective August 13, 2018, requires all registered users to reset their passwords every 90 days. Users will need to update their password and answer three security questions using our system called "P-Synch." Anyone accessing CAMS, CLE, CCATS, CLERKSHIP, JACS, FMFA, eCDR, FMCIC, FMFA, EDATA, PROBWEB, GMS, COUNTYWELFARE, DVCR, ECOURTS, EDVROMS, EVNF, JOC, OAE, EMD, LWC, or PG (MACS) will be affected. Answering the three security questions will assist in recovering forgotten passwords without the need to call the Judiciary's Call Center.
