NOTICE: NEED TO QUALIFY AS GUARDIAN

Re: Docket Number p8900

Dear Guardian:

You have received this notice because you were appointed as guardian for an incapacitated adult in New Jersey. The attorney for the incapacitated person will also receive a copy of this notice if they have not been discharged from the case.

Our records show that as of 8/22/2024, you and/or a co-guardian have not completed the guardian qualification process required by the written Judgment of Legal Incapacity and Appointment of Guardian.

Completion of qualification authorizes you to act as guardian for the incapacitated person. If you do not complete the qualification process, the court may further review the guardianship.

Qualification must be completed before the County Surrogate. If you have questions about completing the qualification process or to arrange for qualification, please contact the County Surrogate using the contact information below.
