Pull Complaint - Warrant executed (EWAR) status

Non-Indictable ACS complaints in “Warrant executed” (EWAR) status can be pulled in Case Initiation, if the complaint being pulled does not have a pending bail in ACS.

The complaints can be pulled using “Pull Complaint” link.

The screenshot displays a data table with 200 records. The table columns are: Issue date, Complaint number, Defendant name, SBI number, Offense date, Police case number, Total charges, and Alert. Three rows are visible, each with an 'Add' button. A 'Pull Complaint' modal is open, showing search criteria fields for Type, Year, Seq.#, and Court code. A yellow arrow points to the '+ Add search criteria' link in the modal. The modal also contains 'Cancel', 'Reset', and 'Search' buttons. At the bottom of the modal, the text 'Pull Complaint' is visible.

Issue date	Complaint number	Defendant name	SBI number	Offense date	Police case number	Total charges	Alert

03/27/2025	W-2025-000033-0305	GRETF G GREATL		03/19/2025		1	Add

The system will give an error if complaint status is “Warrant executed” with a pending bail in ACS.

The screenshot displays a software interface with a table of records and a modal dialog box. The table has columns for Issue date, Complaint number, Defendant name, SBI number, Offense date, Police case number, Total charges, and Alert. The dialog box, titled 'Pull Complaint', contains a red error message: 'Complaint W-2025-000022-1501 has a status as Warrant executed with ACS bail info which is invalid for transfer. Please contact the municipal court to issue the complaint.' Below the message are search criteria fields for Type (w), Year (2025), Seq.# (22), and Court code (1501 - BARNEGAT LIGHT). A yellow arrow points to the '+ Add search criteria' link in the dialog box.

Transfer to Family – Indictable charge validation

Indictable charges can no longer be transferred to Family court. The system will return the error, ‘Invalid Family Transfer’ when disposing of a charge with DC-324 based on the conditions below.

- The final charge is an indictable charge (1-4 degree).
- The case does not include at least one 2C:29-9 contempt charge.

Note: The validation above will not apply to juvenile cases that are waived back to Family. The validation will be skipped when the juvenile indicator on the case is set to Y-Yes.

Manual flow with Juvenile Indicator as “N”

Note: For Standard flow - Juvenile Indicator will be set to “N”
