Drug Court Duplicate Filing Popup Dialog Standardization

The display order of the No and Yes buttons on the Drug Court duplicate popup alert has been changed to conform eCourts enterprise standards. No (left) indicates the duplicate filing should be abandoned for the same date, while Yes (right) confirms the duplicate filing should proceed and overwrite the existing filing, ultimately leaving a single event in PG.

Certification to Submit Filing Popup Dialog Standardization

The Submit Filing popup dialog has been relabeled to Certification to submit filing and the disclaimer language and controls for internal or external filter now conform to eCourts enterprise standards. The new dialog continues to display from the Review and Submit screen. Filers must acknowledge reading the disclaimer before completing the submission by populating a checkbox. The R. 1:38-7 reference within the disclaimer text is a live link to the court rule document.

The disclaimer verbiage is:

- "I understand that:
 - I am required to redact confidential personal identifiers pursuant to [R. 1:38-7](#), unless otherwise required by statute, rule, administrative directive, or court order, and that the Judiciary

will neither review nor redact any documents if I include confidential personal identifiers in error.

- Once the filing is submitted it cannot be deleted without a court order. Any deletions may require the filing of a motion to delete a document from the case jacket and an amended document, where appropriate.
- If any information is entered directly into eCourts incorrectly, a court order will be required to make any corrections.
- No refunds will be offered in the event a filing with a court fee is submitted erroneously.
- By clicking the Accept button, I certify that I have reviewed ALL information and documents for accuracy prior to submitting the filing."

The summary of control changes is below:

FILING **3**
Defendant Number Must Be Entered to File on a Downgraded, Remanded or Dismissed Case 3

FILING

Defendant Number Must Be Entered to File on a Downgraded, Remanded or Dismissed Case

A filing on a criminal case is normally prohibited when the case is downgraded, remanded or dismissed. However, there may be mixed dispositions on a case with multiple defendants.

An update has been made to allow for filers to search for cases and submit filings for those defendants on a case for which the defendant-level disposition is not downgraded, remanded or dismissed, regardless of the overall status of the case.

Previously, if the overall status of a case was downgraded, remanded, or dismissed, filing was not allowed on any defendants on the case, even those who were still active and whose charges were not individually disposed of as downgraded, remanded or dismissed.

In order to file on a case with the aforementioned scenario, the defendant number of the defendant with a non-downgraded/remanded/dismissed disposition must be entered. If a search is done on a case which has an overall status of downgraded, remanded or dismissed and the defendant number is not entered, an error message will continue to display.

Figure 1 – Case search where case summary data disposition is dismissed without entering defendant number

The screenshot displays the 'Judiciary eCourts System - Criminal' interface. At the top, there is a navigation bar with 'My Account', 'Home', 'Help', and 'Logout' links. FILING

Cases with Transferred/Remanded/Downgraded Primary Defendant Disposition can be Searched and Filed on by Entering a Specific Defendant Number

When searching for a PROMIS/Gavel case in which the primary defendant has a transferred/remanded/downgraded disposition, the system will now allow for filing on other defendants. The defendant number must be entered in order for the case search to return a result. If a case with a transferred/remanded/downgraded primary defendant disposition is searched without entering a defendant number, the below error message will display.

The screenshot shows the 'Judiciary eCourts System - Criminal' interface. At the top, there are navigation links for 'My Account', 'Home', and 'Help'. Below this is the 'New Jersey Courts' logo with the tagline 'Independence • Integrity • Fairness • Quality Service'. The main navigation bar includes 'eCOURTS HOME', 'eFILING', and 'CASE JACKET'. The user is logged in as 'ATTORNEY GENERAL CRIMINAL'. The page title is 'Select Case'. A red error message with a 'x' icon states: 'This case is no longer in this jurisdiction. Please enter a Defendant No., check your records or contact CUMBERLAND for specific case information.' Below the error message, there are three search options: 1. 'Enter PROMIS/GAVEL Case No.:' with a dropdown menu set to 'SALEM', a year field '15', and a case number field '000013'. An 'Optional - Defendant No.:' field is empty. An example below shows 'Atlantic 13 000123 001'. 2. 'Enter Indictment/Accusation No.:' with a dropdown menu, a year field '13', a month field '06', a case number field '00123', and a dropdown menu. An example below shows 'Hudson 13 06 00123 I'. 3. 'Enter Complaint (CDR) No.:' with a dropdown menu set to 'Begin typing...', a year field '2013', a case number field '000589', and a dropdown menu. An example below shows 'W 2013 000589 0108'. Each search option has a 'Search' button.

This is a close-up of the search form. It shows the 'Enter PROMIS/GAVEL Case No.:' section. The dropdown menu is set to 'SALEM', the year is '15', and the case number is '000013'. The 'Optional - Defendant No.:' field contains '002' and is highlighted with a red rectangular box. Below it, the example shows 'Atlantic 13 000123 001'. A 'Search' button is to the right of the field.

ATTORNEY FILING

Pretrial Detention and Revoke Release Motion Types can be Searched by the PROMIS/Gavel Case Number When Filing

Pretrial Detention and Revoke Release motions can now be searched by the PROMIS/Gavel (P/G) case number. Previously, to file a Pretrial Detention or Revoke Release motion, filers had to search by the complaint number (CDR). When these motion types are selected and searched by the P/G case number, the complaint number(s) associated to the selected defendant must be selected (at least one complaint number must be selected to continue filing).

NOTE: If more than one CDR number is associated with a defendant on a P/G case, there will be a separate, individual filing and case jacket entry for each CDR number.
