Pretrial Home Detention/Electronic Monitoring

Clicking on the 'Pretrial Home Detention/Electronic Monitoring' tile will take the user to the Work list.

This screen starts with a Search by section followed by a Defendants section and an Active Warrant(s) section.

Search by allows the users to search for a defendant on Pretrial Electronic Monitoring and/or Home Detention statewide. The user can search by Name, Date of birth and/or SBI.

If the users perform a search, the results of the search will be presented to the user. If there are multiple matches, they will all be listed.

By default, the Work list displays defendants monitored on Home Detention (HD) /Electronic Monitoring (EM) within the county or counties the user has access to.

The Active Warrant(s) section displays active warrant(s), issued from PTM, within the county or counties the user has access to.

All the columns in the worklist can be sorted if needed.
