

How to Join and Participate in a Zoom Virtual Courtroom

Using a PC, Laptop, or Mobile Device
For Judges, Attorneys and Judiciary Staff

Pre-requisites to Join a Virtual Courtroom

For HELP with any of these steps contact your local county\vicinage IT staff

Peripheral Devices

Plug in any peripheral devices you are using - USB webcam, speakers, headphones, etc. See [Appendix A](#) for Virtual Courtroom Participant system requirements.

Note: Remove personal photos, distinguishable information, and any other personal items you do not want the public to see in your background camera view.

Install the ZOOM Client

If using a **Windows PC or MAC**, install the ZOOM Desktop Client from. (for MAC install see [Appendix B](#))
<https://zoom.us/download>

If using an **iPad or iPhone**, install the Zoom client by going to the “App Store” and searching for “ZOOM”. After installing, it will ask for server and login credentials – ignore this and close the app – Accept prompts for access to camera and microphone.
<https://itunes.apple.com/us/app/id546505307>

If using an **Android phone**, install the ZOOM client by going to the “Google Play Store” and searching for ZOOM Mobile. After installing, it will ask for server and login credentials -Accept prompts for access to camera and mic.
<https://play.google.com/store/apps/details?id=us.zoom.videomeetings>

Joining from a web browser

How to Join a Zoom Virtual Courtroom from a Browser on a PC – [Appendix C](#)

Test Audio and Video Settings

Test audio and video prior to the meeting time. If audio and video settings are incorrect, they cannot be changed while in the meeting. You must leave the meeting, change the settings and rejoin the meeting.

ZOOM Test Connection Room

<https://zoom.us/test>

ZOOM Virtual Courtroom Invitation

You will need a virtual courtroom invitation and associated meeting PIN to join the meeting.

Zoom Breakout Rooms – [Appendix D](#)

Join a Zoom Virtual Courtroom

Access the NJCourts Virtual Courtroom meeting invitation from either your email inbox or your calendar. Select the meeting invitation link in the email to join the meeting.

(If you do not have a virtual courtroom meeting invitation and the associated meeting PIN, contact the AOC Problem Reporting Desk 800-343-7002.)

Selecting the link will open an internet browser and prompt you to Run/Save the Zoom Client
When prompted select Run

If you do not see the Run button, select 'download here' to install the Client.

A Moderator must join and start the meeting in order to allow all participants.

Once the moderator joins the meeting you will see a notification

When prompted enter your name

You will see a video preview of your camera.

If you do not see an image you will have to troubleshoot your equipment.

The Moderator will need to let you into the meeting

Once admitted to the meeting select the Join with Computer Audio button

Once connected you will see your camera atop the other participants in the meeting

Microphone and Speaker Adjustment

The Mute icon has additional options that will allow other Speaker/Microphone options

Leave a meeting

Leave meeting icon will end the current meeting

A participant can select **'Ask for Help'** to request a Host's assistance

When prompted select **'Invite Host'**

Appendix A

Appendix B

Your Mac settings are not likely to allow you to install the app because it's not from the App Store. To allow installing Zoom for Mac, go System Preferences > Security & Privacy. From there, click Open Anyway in the general section.

2. When a new pop-up shows up, click on *Open*.

3. Another pop-up will ask you to continue (this is the last pop-up).

Appendix C
