## **Mission Statement**

We are an independent branch of government constitutionally entrusted with the fair and just resolution of disputes in order to preserve the rule of law and to protect the rights and liberties guaranteed by the Constitution and laws of the United States and this State.

Dear Community Member,

The Essex Vicinage Superior Court hears thousands of cases annually across its five locations within the county. Essex continually strives to improve the service provided to the surrounding community. As such, this booklet was created by the Essex Office of the Ombudsman with the purpose of providing social service and community resource information to the public. This compilation is an extension of information currently available at the courts main complex located 50 W. Market Street, Room 132 in Newark. For inquiries regarding this booklet or for assistance please call (973) 776-9300 ext. 56886 or email [EssexHelp.mailbox@njcourts.gov](mailto:EssexHelp.mailbox@njcourts.gov).

Information and resources provided in this booklet include State, local government agencies and non-profit organizations. This resource has been compiled through contacting various state, non-profit agencies and through web-based research. This list is not inclusive of all the services available in the community but provides the most frequently sought after or requested agencies and services available in Essex County. Please note, inclusion in this booklet does not constitute an endorsement of any agency. Additionally, some agencies may require a referral or that you meet specific criteria to qualify for services. For a comprehensive list of social services in New Jersey call 2-1-1 from any phone or visit [www.NJ211.org](http://www.NJ211.org).

The judges and staff of the Essex Vicinage recognize that without public trust and support, the court cannot fulfill its mission. We value your input and look forward to serving you.

Sincerely,

**Essex Vicinage Office of the Ombudsman**
