This certification is made by me in support of my request to be excused from jury service in _____ County.

A person can be excused from jury service as specified in New Jersey statute, *N.J.S.A. 2B-20:10(c)(3)(b)*:

3. Jury service will impose a severe hardship due to circumstances which are not likely to change within the following year. Severe hardship includes the following circumstances:

(b) A child who is one year of age or younger where the prospective juror is the child's mother and is nursing or expressing milk for the child.

The Judiciary will accommodate mothers who are breastfeeding and will provide a suitable private location for their use during the day, if they do not want to be excused from jury service.

I am currently nursing and/or expressing milk for my child(ren) who is one year of age or younger and request to be excused from jury service.

I hereby certify and say that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.
