The Monmouth Vicinage invites middle and high school students to attend a dynamic Law Day Symposium. The program will treat students to a day in the life of a juror. The day will begin with students receiving a juror summons and reporting to the jury assembly room for service. Students will participate in the voir dire process and serve as jurors in a mock trial that will include engaging in jury deliberations and rendering a verdict. Throughout the day, students will have the opportunity to engage with Monmouth Superior Court Judges, law clerks and judiciary staff.
