IN RE: : SUPERIOR COURT OF NEW JERSEY
: LAW DIVISION: BERGEN COUNTY
MIRENA IUD PRODUCTS LIABILITY :
LITIGATION : CASE NO. 297
This Document Relates to All Actions : CIVIL ACTION

AMENDED CASE MANAGEMENT ORDER NO. 62

Procedure for Remaining Plaintiffs

The Court previously entered a Case Management Order No. 62 substantially in the form as contained herein. The within amends the initial version of Case Management Order No. 62 only insofar as the hearing referenced therein will now take place on October 2, 2019 at 11:00 a.m., as identified in greater detail below.

The Parties have advised the Court that they have entered into a Confidential Master Settlement Agreement ("MSA"). Although the terms of the settlement are confidential, the MSA seeks to include all plaintiffs, including derivative claimants, who have asserted claims against one or more of the following Defendants: Bayer HealthCare Pharmaceuticals Inc., Bayer Oy and Bayer Pharma AG ("Bayer Defendants"), including those claims asserted in *In Re: Mirena Litigation*, Multi-County Litigation Case No. 297 pending in the Bergen County Law Division of the Superior Court of New Jersey ("MCL"). The deadline to participate in the MSA expired on June 29, 2018. On that date, any participating Plaintiff was

required to submit a dismissal with prejudice and a notarized release (collectively the "Settlement Materials"). Plaintiffs seeking to participate in the MSA who failed to submit Settlement Materials or who submitted deficient Settlement Materials were subject to dismissal from this MCL by Order of this Court.

Additionally, pursuant to this Court's Case Management Order No. 54, any plaintiffs in this MCL who declined to participate in the MSA were required to submit expert reports by September 27, 2018.

Since that date, the Court has entered several Case Management Orders setting forth the procedures for dealing with Plaintiffs who were previously identified as either non-responsive or as having failed to cure certain deficiencies in their Settlement Materials, and otherwise. The purpose of this CMO No. 62 is to set forth the procedure for dealing with those remaining Plaintiffs in this MCL who have declined to participate in the MSA or who have failed to cure deficiencies in their Settlement Materials in accordance with this Court's prior Orders.

The following Plaintiffs refused to agree to the MSA and, as of this date, are proceeding *pro se* ("Category 1 Plaintiffs"):

Plaintiff	Docket Number
Kimberly King	BER-L-8086-14
Tyanna Dodson	BER-L-4752-13
Jayne Eisenhauer	BER-L-19394-14

None of the Category 1 Plaintiffs submitted expert reports in accordance with this Court's CMO No. 54 or otherwise.

Additionally, the following Plaintiff has, as of this date, failed to cure deficiencies in her Settlement Materials ("Category 2 Plaintiff"):

Plaintiff	Docket Number
Briana Gonzales	BER-L-1905-14

Category 2 Plaintiff has failed to cure the deficiencies in her Settlement Materials as previously provided for by the Orders of this Court.

This Case Management Order sets forth the conditions under which the Court will dismiss the cases of those Category 1 Plaintiffs and/or the Category 2 Plaintiff who fail(s) to respond to this Order:

1. To promote the efficient resolution of this litigation, within twenty-one (21) days of entry of this CMO, each Category 1 Plaintiff must file a completed Notice of Intent to Proceed (in a form substantially similar to that attached as Exhibit A to this CMO) with the Court and serve a copy of same on Plaintiffs' liaison counsel. The Notice of Intent to Proceed must be signed by the individual plaintiff and shall unambiguously state that the Category 1 Plaintiff wishes to continue to prosecute his or her claims in this MCL.
2. Within twenty-one (21) days of entry of this CMO, the Category 2 Plaintiff must submit a signed and notarized Release (Exhibit B to this CMO) with a signed Stipulation of Dismissal (Exhibit C to this CMO) that is free of any and all deficiencies to the settlement's enrollment email addresses of Mirena_Release@shb.com and mirena@motleyrice.com, and must also submit a Claim Form (attached hereto as Exhibit "D" to each individual firm's ShareFile Account), also within twenty-one (21) days of this CMO.
3. The Court will convene a hearing at 11:00 a.m. on October 2, 2019. On that date and at that time, any Category 1 or Category 2 Plaintiff, as defined herein, who wishes to continue to prosecute his or her claims, in addition to submitting the required documentation as set forth herein, must appear before this Court, located **10 Main Street, Hackensack, courtroom 395, located in the rotunda**, and show cause as to why the Court should not dismiss his or her claims, with prejudice. On

that date, the Court will dismiss the claims of any Category 1 or Category 2 Plaintiff who fails to comply with this CMO in any regard, with prejudice.

4. On the date of the aforementioned hearing, October 2, 2019, the Court will set a schedule for dispositive motions for any Category 1 Plaintiff who either files and serves a Notice of Intent to Proceed as described herein or who appears in Court on that date and shows cause to the satisfaction of this Court as to why their claims should not be dismissed.
