
**IN RE: PELVIC MESH/GYNECARE
LITIGATION**

SUPERIOR COURT OF NEW JERSEY

LAW DIVISION: BERGEN COUNTY

CASE NO. 291

MASTER DOCKET NO.: BER-L-11575-14

CIVIL ACTION

CASE

MANAGEMENT ORDER #122

FILED

JUN 27 2025

GREGG A. PADOVANO, J.S.C.

All prior orders remain in full force and effect except as modified by this Order.

THIS MATTER having been reassigned to the Bergen County Vicinage, from Atlantic County, pursuant to the Supreme Court's Order of October 31, 2014; the Court having conducted a Case Management Conference on June 18, 2025; counsel appearing; for good cause shown and for the reasons set forth on the record;

IT IS on this 27th day of JUNE 2025, **ORDERED** as follows:

I. CASE MANAGEMENT

II. TRIAL SETTING.

A. Trial Settings.

- a. The parties will report to the Court at the next CMC about the status of CMO 105 and other activated cases from which a next trial setting might be set.

III. CASE MANAGEMENT DEADLINES.

- A.** CMO 119 was entered on April 22, 2025, identifying 33 of the CMO 105-activated cases now subject to additional discovery deadlines set forth therein.
- B.** CMO 121 was entered on May 30, 2025. CMO 121 activated an additional 38 MSA Exhibit B cases and contains the milestone deadlines for, among other things, update of PFS and updated authorizations.

- C. CMO 105 entered on December 1, 2023, continues to govern case work up deadlines for CMO 105-activated cases not listed on CMO 119, unless otherwise ordered by the Court. **There are 91 cases on CMO 105 (including the 33 identified in CMO 119) and later CMOs that should be proceeding with active records collection and preparing to schedule depositions when sufficient records are collected. A list of the 91 cases is attached hereto as Exhibit A.**

1. PARTIES SHALL NOTE THAT COMPLIANCE WITH PFS-RELATED DEADLINES UNDER CMO 105, and for all other active cases, REQUIRES THE PROVISION, *INTER ALIA*, OF THE MOST CURRENT UPDATED RECORDS RELEASE AUTHORIZATIONS, which were appended to the “Updated and Amended Notice and Order Regarding Service of Plaintiff’s Fact Sheets, Required Records Authorizations and Applications for Extensions of Service Dates, entered on March 17, 2025. This Order can be located on the MCL website at:

<https://www.njcourts.gov/sites/default/files/mcl/orders-decisions/pelvic-mesh-gynecare/general/factsheet.pdf?cb=0de14254>

and the current PFS with the current records release authorizations can be located at:

<https://www.njcourts.gov/sites/default/files/mcl/pelvic-mesh---gynecare/factsheetauthorizations.pdf>

2. Any Plaintiff with a compliant CMO 105 case not listed on CMO 119 shall evaluate records collection status and meet and confer with Defense Counsel to assess whether sufficient medical records have been collected to begin scheduling plaintiffs’ depositions. Cases activated after CMO 105 shall continue with records collections. As those cases progress, Plaintiff and Defense Counsel shall likewise meet and confer as to scheduling plaintiffs’ depositions.

IV. ADDITIONAL CASES TO BE ACTIVATED

- A. **Newly Filed Cases.** All cases filed since the entry of CMO 105 are considered activated. Such cases are not to await any specific activation order. The below newly filed cases have specifically been identified since the last case management conference and are listed below by way of example. Records collection shall proceed immediately upon timely service, as required by the current protocols, of fully-compliant plaintiffs’ fact sheets and all required current authorizations. Plaintiffs’ depositions shall be scheduled as soon as practicable upon collection of the requisite records. **The following are identified among those in this category.**

1. Sabella, Jaclyn v. Ethicon, Inc., et al., BER-L-3010-25

All newly filed cases are considered active and must comply with the MCL protocols regarding service of PFS. The proper authorization forms currently can be found appended to the Updated PFS protocol entered by the Court on March 17, 2025.

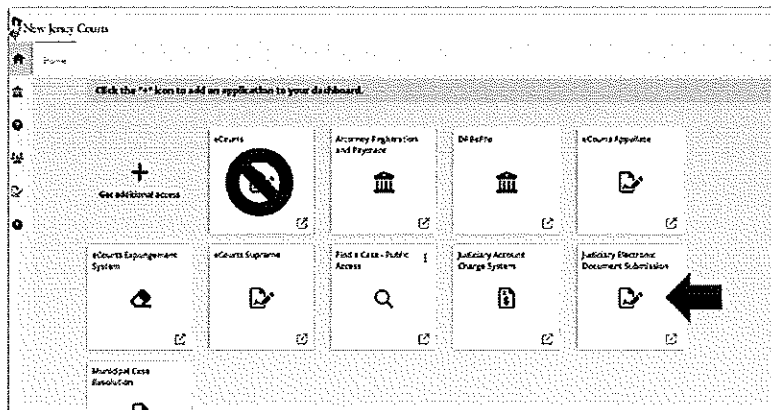

- A. **Activation of MSA Exhibit B Cases.** There remain active on the docket over 900 cases involving plaintiffs who allege they have a currently marketed Ethicon SUI product implanted, but have not had a revision surgery, which cases are identified on Exhibits B to their plaintiffs' firms' Master Settlement Agreements ("MSA"). **The cases on the CMO 116 Exhibit B in this category were activated as of the date of entry of CMO 116 on March 13, 2025. Case management Order 117 entered on April 1, 2025, contains the milestone deadlines for, among other things, update of PFS and updated authorizations. Attached as Exhibit B to this Order is the list of CMO 116/117 case that are currently active. CMO 121 entered on May 30, 2025, activates an additional 38 cases.**

V. MOTIONS.

The Court was provided with the 6/18/2025 agenda a list of motions pending as per the Defendants records.

VI. FILINGS ON ECOURTS

All Counsel and parties to this MCL are reminded that this is a JEDS (Judiciary Electronic Document Submission) system litigation. Counsel are **not** to use eCourts to file pleadings and other documents. This MCL requires paper filing or filing through the JEDS submission system.

Any fees charged through an improper submission on eCourts will not be refunded. Please see CMO 96 regarding service and filing notifications. **Also, JEDS submission does not equate with service. Anything submitted via JEDS (or in paper format) must be served on all counsel of record separately in accordance with the Rules of Court and/or protocols in this MCL (unless counsel have consented to receive service via email only).**

VII. MISCELLANEOUS

The next case management conference will be held on Thursday, **September 18, 2025** at 10:30 a.m. for liaison counsel only (via Telephone or Zoom) and at 11:00 a.m. for all counsel via telephone on the record; The Conference will be virtual or telephonic unless otherwise directed by Judge Padovano.

GREGG A. PADOVANO, J.S.C.
