Case No. 291

ORDER TO EXTEND CMO 105 DEADLINES

TORI JOHNSON,

Plaintiff,

vs.

ETHICON, INC. ET ALS.;

Defendants.

SUPERIOR COURT OF NEW JERSEY
LAW DIVISION – BERGEN COUNTY
DOCKET NO. BER-L-003236-24 MCL

MASTER CASE NO. BER-L-011575-14

CIVIL ACTION
In Re: Pelvic Mesh/Gynecare Litigation
Case No. 291 CT

THIS MATTER, having been brought before the Court Defendants Ethicon, Inc. and Johnson & Johnson, through their counsel Riker Danzig LLP, and for good cause shown;

IT IS ON THIS 4th day of February, 2026, ORDERED, that these matters shall no longer be subject to the deadlines applicable to CMO 105-activated cases per the Order entered by this Court on April 22, 2025. The updated deadlines are as follows:

I. DISCOVERY DEADLINES

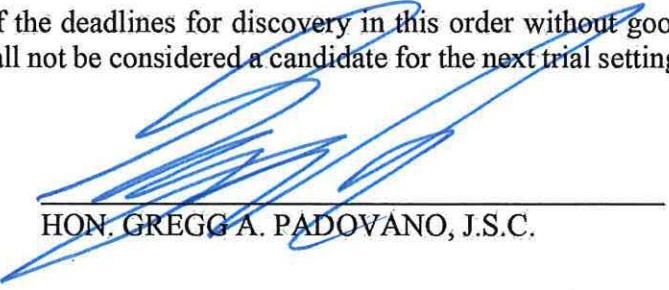

- A. Except as otherwise governed by CMOs 95 (regarding friends/family) and 97 (regarding sales reps), any outstanding fact discovery will be completed by *August, 15, 2025*.
- B. Expert Discovery
 - (i) Plaintiffs are to advise Defendants by *August 11, 2025*, which expert will be conducting the IME and whether a pelvic exam will be performed.
 - (ii) Plaintiffs are to provide Defendants with possible dates between *September 19, 2025 and October 8, 2025* when the plaintiff can travel for a DME to be conducted by Defendants' experts by *October 8, 2025*. Defendants will then send plaintiffs' counsel an email confirming the name of the defense expert, his or her qualifications, the location, date and time of the DME. This information will then be formalized in a Notice for DME that complies with the New Jersey Court Rules. If Plaintiff objects to any aspect of the proposed DME, those objections can be raised with the Court by letter if there is no resolution after meeting and conferring with Defendants.
 - (iii) Plaintiff expert report(s) shall be served by *September 19, 2025*. If Plaintiffs fail to serve all expert reports by the deadline without having obtained prior leave of the Court, the case may be dismissed with prejudice.
 - (iv) Defense expert reports shall be served by *October 17, 2025*.
 - (v) Parties shall make best efforts to complete all necessary plaintiff expert depositions by *November 14, 2025*, and all necessary defense expert depositions by *February 13, 2026*. Plaintiff's experts will not be deposed until after receipt of the defense expert reports and the notes of all DME's. Defense expert depositions will not be conducted until after completion of plaintiff expert depositions.

(vi) Expert discovery shall be completed by *February 20, 2026*.

C. Pre-Trial Motions

- (i) Pretrial motions other than *in limine* (dispositive, Kemp/ Accutane) shall be served by *March 20, 2026*. Consistent with the practice in this MCL, the original motion papers shall be submitted directly to the trial judge's chambers. Only Notices of Motion and Forms of Order shall be submitted for filing with the Clerk's office (either via JEDS or in hard copy).
- (ii) Oppositions to pre-trial motions shall be filed and served by *April 17, 2026*.
- (iii) Replies shall be filed and served by *May 8, 2026*.
- (iv) Oral argument on pre-trial motions and any remaining outstanding disputed deposition designations shall commence on **[To be determined by later order of the Court]**, continuing day to day as necessary.
- (v) The court shall issue rulings on pretrial motions and any outstanding deposition designation disputes that impact opening statements, or other such issues that must be resolved prior to opening statements by no later than **[To be determined by later order of the Court]**.

Any case that fails to meet any of the deadlines for discovery in this order without good cause or consent of the opposing party shall not be considered a candidate for the next trial setting.

HON. GREGG A. PADOVANO, J.S.C.
