**CONSENT ORDER STAYING DISCOVERY
PENDING CASE MANAGEMENT ORDER**

Plaintiff Pasquale Mirra and Defendants Monsanto Company, Bayer Corporation, Bayer U.S. LLC, and Bayer CropScience LP (“Defendants”), through their respective counsel, stipulate as follows:

IT IS HEREBY STIPULATED AND AGREED by and among the undersigned counsel that:

1. On May 28, 2025, the Supreme Court granted a request made by Plaintiff – and plaintiffs in other matters regarding the use of Roundup Products – to designate such matters as multicounty litigation (“MCL”) pursuant to Court Rule 4:38 for centralized management purposes.

2. Due to the Supreme Court’s Order, the parties agree that discovery should be stayed in the above-captioned matter until a Case Management Conference (“CMC”) is scheduled and a Case Management Order (“CMO”) is entered in the newly formed MCL, which will establish the parameters and deadlines of discovery applicable across all cases managed under the newly-formed MCL;

3. The parties will work together in good faith to establish the parameters and deadlines of discovery with the Court given the establishment of a MCL;

4. The discovery deadline currently set for September 28, 2025, is hereby stayed pending the entry of a CMO in the MCL, which will set new dates and deadlines in the above-captioned matter; and

5. The undersigned counsel of record hereby indicates their consent to the form and entry of this Order.
