UNOPPOSED

### **STATEMENT OF REASONS**

This Motion comes before the Court by way of Defendant Merck Sharp & Dohme Corp's Motion to Dismiss with Prejudice the cases attached<sup>1</sup> for failure to comply with Paragraph 4 of the Court's December 10, 2025 Second Amended Docket Control Order (Second Amended DCO), which required Litigating Plaintiffs to serve documents and/or information on Merck, including (a) A Plaintiff Fact Sheet; (b) Pharmacy records; (c) Medical records; (d) Record Collection Production; (e) a signed Affidavit attesting to the Litigating Plaintiff's compliance with the DCO; (f) Expert Reports; (g) Retention Agreements; and (h) a signed Affidavit attesting to the time at which the Litigating Plaintiff learned of their alleged Zostavax-related injuries, initial date of legal inquiry, and date of retaining counsel for this matter. See Second Amended DCO, ¶4. The deadline by which the above documents/information was required to be produced was no later than February 9, 2026.

Prior to the Second Amended DCO, the date by which Litigating Plaintiffs were to produce the aforementioned documents/information was November 23, 2025. Thus, the Litigating Plaintiffs have been on notice for over eight months that their documents/information requirements were required in order to proceed with their claims in the Zostavax MCL. Following the expiration of the applicable period and the filing of a motion dismiss by Defendants pursuant to R. 4:23- 2(b)(1), Litigating Plaintiffs had an additional fourteen (14) days to cure their deficiencies.<sup>2</sup>

In light of the Litigating Plaintiffs' failure to comply with the Court's Orders and in light of the additional time provided to cure deficiencies, the Court shall be entering an Order dismissing the aforementioned cases with prejudice. The Court finds that despite notice and opportunity, the Litigating Plaintiffs in the cases listed have not provided the required documents and/or information or filed opposition.

<sup>1</sup> See Exhibit A.

<sup>2</sup> See Second Amended DCO, ¶6.

Our Supreme Court has held that, “[t]he dismissal of a party’s cause of action, with prejudice, is drastic and is generally not to be invoked except in those cases where the order for discovery goes to the very foundation of the cause of action ... or where refusal to comply is deliberate and contumacious.” Schlosser, 111 N.J. Super. at 341 (citing Tsibikas v. Morrof, 5 Super. 306 (App. Div. 1949)).

The unfortunate reality is given the length of time of non-compliance, and the lack of any opposition on the listed dockets, the Court finds there is no “lesser sanction” that can suffice to remedy the violations of this Court’s Order. The original window for compliance with the Second Amended DCO has lapsed, as has the additional time to cure deficiencies, and no oppositions have been filed to the listed dockets on this Motion to Dismiss the Cases.

As such, Defendant’s Motion to Dismiss with Prejudice is hereby granted with respect to each case enumerated on the Case List. This dismissal is effectuated in accordance with the clear terms of the Amended DCO, which explicitly afforded the Plaintiffs an opportunity to cure the deficiency within the designated timeframe, yet the Plaintiffs’ failure to comply necessitates the dismissal of their claims. Motion granted.
