

NOTICE TO THE BAR

Re: Revisions to the Uniform Traffic Ticket, Statewide Violations Bureau Schedule, and Instructions to the Local Supplemental Violations Bureau Schedule

Attached is the [revised version of the Uniform Traffic Ticket](#), as well as the [instructions that prescribe the use of this form in the Municipal Courts](#). The amendments to the Uniform Traffic Ticket and instructions were prompted by the recent passage of legislation and are effective December 21, 2003. Use of the superseded version of the Uniform Traffic Ticket has been authorized through February 1, 2004, to allow exhaustion of current supplies of the form, provided that a stick-on label containing the increased payable amounts is placed on the back of the defendant's copy of each ticket issued after December 21, 2003. As of February 1, 2004, however, only the attached revised version of the Uniform Traffic Ticket is authorized for use in the Municipal Courts.

Also attached are the [revised Statewide Violations Bureau Schedule](#), and the revised instructions to the [Local Violations Bureau Schedule](#), both of which have been amended consistent with R. 7:12-4. These revisions are effective December 21, 2003, and were also prompted by the recent legislation.
