Glenn A. Grant, J.A.D.
Acting Administrative Director of the Court

Dated: October 31, 2014

SUPREME COURT OF NEW JERSEY

The Court having previously by Order of October 6, 2008 designated all pending and future actions arising out of the use of the drug Fosamax and seeking damages for existing dental or jaw-related injuries, including osteonecrosis of the jaw, but not solely seeking medical monitoring, as a mass tort (now multicounty litigation) and having by that order transferred and assigned all such cases to the Superior Court, Law Division, Atlantic County (Vicinage 1) for centralized case management purposes;

It is hereby ORDERED that effective November 3, 2014 the provisions of that October 6, 2008 Order are modified such that all pending litigation set forth in Exhibit A attached hereto shall be transferred to the Superior Court, Law Division, Middlesex County (Vicinage 8) and assigned for management purposes to the Honorable Jessica R. Mayer; and

It is FURTHER ORDERED that venue in all Fosamax cases is transferred to Middlesex County; and that pursuant to N.J. Const. (1947), Art. VI, sec. 2, par. 3, the provisions of Court Rule 4:3-2 governing venue in the Superior Court are supplemented and relaxed so that all future such actions, no matter where they might be venued, shall be filed in Middlesex County and assigned to Judge Mayer for management; and

It is FURTHER ORDERED that Judge Mayer shall oversee all management and trial issues for such cases and may, in her discretion, return such cases to the original county of venue for disposition; and

It is FURTHER ORDERED that no Special Master may be appointed in this litigation without the express approval of the Chief Justice.

For the Court,

/s/ Stuart Rabner

Chief Justice
