

NOTICE TO THE BAR

Mandatory Electronic Filing in the Appellate Division

EFFECTIVE JULY 1, 2016

As set forth in the attached April 12, 2016 Order, the Supreme Court has approved a two-phase approach for implementation of mandatory electronic filing of all Appellate Division appeals and other documents in appellate matters through the New Jersey Judiciary eDATA system (also referred to as eCourts-Appellate). In order to file documents electronically and view electronic case jackets, attorneys must first register with NJ eDATA and also have a collateral account with the Judiciary Account Charge System (JACS). Instructions on this registration process and for obtaining a JACS account and information on future CLE courses may be found at: <http://www.judiciary.state.nj.us/appdiv/eDATA/index.html>.

Mandatory e-Filing – Phase I

1. All attorneys are required to file electronically in the following case types:
 - a. **Criminal appeals;**
 - b. **Children in Court (FG and FN) appeals**
 - c. **Sexually Violent Predator (SVP) appeals**
 - d. **Civil Commitment Appeals**
2. Attorneys for respondents are required to register for NJ eDATA within seven (7) business days of the email notification of the filing of the notice of appeal.
3. Rule 1:5-6(c) is supplemented and relaxed such that attorneys in the case types identified in paragraph 1 above who file paper pleadings and documents that are required to be filed electronically will have those documents returned stamped "Received But Not Filed-Must be filed electronically." Those documents must be filed electronically within 15 days in order to preserve the original received date. Instructions on the filing requirements to preserve the time will be returned with the date stamped documents.
4. Attorneys may continue to voluntarily file electronic appeals in any case type where the responding party is represented by an attorney.
5. Exemptions to these requirements may be granted by leave of court if extraordinary circumstances prevent an attorney or law firm from utilizing NJ eDATA.

6. Except as otherwise specified in the attached Supreme Court Order, the provisions of the Rules of Court applicable to matters filed in the Appellate Division, and the January 21, 2015 rule relaxation Order (available on njcourts.com), shall remain in full force and effect.

Mandatory e-Filing – Phase II

1. Phase II will be implemented at a later date and will require all attorneys to electronically file appeals under all other case types.
