

NOTICE TO THE BAR
IOLTA FUND OF THE BAR OF NEW JERSEY
Annual Registration Requirement—Final Notice

The Regulations of the IOLTA Fund of the Bar of New Jersey approved by the New Jersey Supreme Court require that trust accounts subject to Rule 1:28A shall be registered annually with the IOLTA Fund. Those attorneys not in compliance for 2019 will be administratively ineligible to practice law in New Jersey. The last day to submit the 2019 IOLTA Registration Form is September 27, 2019.

If you are not now in private practice, you must respond so that we can adjust our records. There are no fees associated with IOLTA registration.

All attorney trust, escrow and master accounts must be included in the registration. In December 2018, the IOLTA Fund emailed a Notice to the Bar and instructions for IOLTA registration to billing email addresses on file with the Lawyers Fund for Client Protection for New Jersey law firms and sole practitioners, requiring a response by March 1, 2019. A Second Notice was emailed on June 9, 2019 to individual attorneys who did not respond or whose firm did not respond for them.

Final Notices were emailed on August 20, 2019 to the billing address on record with the Supreme Court for receiving official Court information. **All future IOLTA information will be emailed. Please be sure to add info@ioltang.org to your safe sender list.**

Any attorney who is not sure if he or she is in compliance may contact the IOLTA Fund at 732-247-8222. Registration instructions, forms, and other important information can be obtained at www.ioltanj.org.
