Attorney Annual Registration – Demonstration of Updated Electronic Application; Free CLE Training Offered

The Judiciary has implemented an updated electronic attorney registration and payment application. Attorneys may use the application now to update their information, including to provide the required cell phone number. Attorneys will be using the updated application for the upcoming 2020 annual registration process.

The Superior Court Clerk's Office is offering a number of free training sessions for attorneys on the updated application in advance of the January 8, 2020 opening of the attorney registration period. In-person training sessions will be conducted at the Hughes Justice Complex and at the New Jersey Law Center in New Brunswick. There will also be a number of Skype sessions. Due to limited space in each venue, attendance is limited to attorneys who must register in advance.
