DIRECTIVE #18-20

[Questions or comments may be directed to (609) 815-2900, ext. 55350]

**Subj: Family – Entry of Default and Uncontested Dissolution Judgments
Without Personal Appearances (divorce on the papers)**

Date: June 5, 2020

This Directive promulgates for statewide implementation instructions for the entry of default and uncontested judgments without personal appearances in certain dissolution (FM) proceedings. In specific circumstances, this allows litigants to request a divorce without a formal appearance before the court. Effective immediately, each Vicinage is to implement these procedures in all appropriate cases as described below. However, if deemed necessary, a judge has the discretion to have the proceedings scheduled to be heard remotely using telephonic or video technology. Dissolution case types include verified complaints for divorce, annulments, dissolution of civil unions, and the dissolution of domestic partnerships.

Default cases are cases in which one spouse has filed for divorce or termination, properly notified the other spouse, and that other spouse has not filed any response with the court. Uncontested cases are cases in which the spouses both want the divorce or termination and agree on all issues between them.

In both types of cases, this procedure is available if the spouse who filed is only asking the court to:

1. Terminate the marriage, civil union, or domestic partnership with no additional request for relief; or
2. Terminate the marriage, civil union, or domestic partnership and include any signed property settlement agreement or existing final court order that resolves all issues between the spouses (such as custody, child support, and property distribution).
 - For those cases that include a property settlement agreement, each party is required to submit the attached certification (CN# 12620) which includes an acknowledgment that each party understands

they have a right to an independent review of the agreement prior to signature. A certification is a document representing the completion of certain requirements or confirmation that some fact or statement is true.

In either of these situations, the spouse who filed can resume any name used before the marriage or change their name, consistent with New Jersey law.

Attached to this directive is a certification and instructions detailing all required documentation that the filing party must complete and submit to the court with their request to terminate the marriage, civil union, or domestic partnership.

Contact the Family Practice Division at (609) 815-2900 extension 55350 with any questions. Additionally, self-represented litigants can contact the court ombudsman in the county where the action is filed or Legal Services of New Jersey at (732) 572-9100 or www.lsnj.org for sample forms.

- Divorce/Dissolution of the marriage, civil union, domestic partnership, or complaint for annulment with a signed property settlement agreement or the continuation of final orders entered in other proceedings resolving all issues of equitable distribution, custody, parenting time, and child support, with no outstanding issues or assets that need to be addressed by the court.
- Divorce/Dissolution of the marriage or complaint for annulment and a request by the plaintiff to resume any name used before the marriage or assume any surname, consistent with N.J.S.A. 2A:34-21. (See section IV below).

NOTE: The judge has discretion to require a court appearance if any relief sought would inappropriately affect the defendant's rights. If an appearance is required, the plaintiff or plaintiff's attorney will be notified in advance.

PROCEDURES:

1. Request for Default Divorce/Dissolution Without a Court Appearance:

The request for divorce without a court appearance must be made in writing at the same time that the Request to Enter Default is filed.

2. Request for the Entry of an Uncontested Divorce without a Court Appearance:

The request for divorce without a court appearance shall be made in writing by both parties.

NEXT STEPS:

1. Court staff will review the documents submitted. If the documents are incomplete, court staff will send a deficiency notice to plaintiff or plaintiff's counsel requiring that it be corrected. If the deficiencies are not satisfied within ten (10) days or at the discretion of the judge, the case will proceed with the requirement of a court appearance.

2. If the documents appear to be in order, the case will be forwarded to a judge for review within five (5) days of the submission. If the judge is satisfied, the Judgment for Divorce/Dissolution will be signed and mailed to the plaintiff or plaintiff's attorney. The plaintiff or their attorney must serve (properly deliver) the judgment to the defendant and their attorney.
