IOLTA FUND OF THE BAR OF NEW JERSEY
Annual Registration Requirement—Final Notice

The Regulations of the IOLTA Fund of the Bar of New Jersey approved by the New Jersey Supreme Court require that trust accounts subject to Rule 1:28A shall be registered annually with the IOLTA Fund. Those attorneys not in compliance for 2020 will be administratively ineligible to practice law in New Jersey. The last day to submit the 2020 IOLTA Online Registration Form is **October 16, 2020**.

If you are not now in private practice, you must respond so that we can adjust our records. There are no fees associated with IOLTA registration.

All attorney trust, escrow and master accounts must be included in the registration. In December 2019, the IOLTA Fund posted a Notice to the Bar and emailed instructions for IOLTA registration to the billing email addresses on file with the Lawyers Fund for Client Protection for New Jersey law firms and sole practitioners, requesting online registration covering all firm attorneys by March 27, 2020 (Extended through April 30, 2020 due to Covid-19). A second reminder was emailed on July 7, 2020 to all non-compliant attorneys.

Final Notices were emailed on September 10, 2020 to the billing address on record with the Supreme Court for receiving official Court information. **All future IOLTA information will be emailed. Please be sure to add info@ioltanj.org to your safe sender list.**

Any attorney who is not sure if he or she is in compliance may contact the IOLTA Fund via email at info@ioltanj.org. Online registration instructions and other important information can be obtained at www.ioltanj.org.
