

NOTICE TO THE BAR
TWO-FACTOR AUTHENTICATION ADDED TO THE
ELECTRONIC ATTORNEY REGISTRATION APPLICATION

This notice is to inform attorneys that effective December 7, 2020, you will be required to use two-factor authentication when accessing the online Attorney Registration application. This additional security feature therefore will be in effect for the upcoming 2021 Attorney Registration cycle. A detailed notice regarding 2021 Attorney Registration will be issued on December 19, 2020.

The two-factor authentication process will use the email address or cell phone number provided by attorneys during the previous (2020) Attorney Registration reporting period. Attorneys will be prompted to either verify or update their email address and cell phone number when they next access the Attorney Registration application on or after December 7, 2020.

The Superior Court Clerk's Office is conducting trainings on the changes to annual attorney registration and payment process and application, including the two-factor authentication process. That training schedule can be found at <https://www.njcourts.gov/notices/2020/n201007b.pdf?c=7Vv>. Questions regarding this notice may be directed to the Superior Court Clerk's Office at 609-421-6100.
