

NOTICE TO THE BAR

USER ACCESS ROLE IN eCOURTS FOR ATTORNEYS' STAFF EXPANDED TO eCOURTS FAMILY

The Judiciary in October 2021 announced the creation of a new eCourts user access role for attorneys' staff using an independent user ID; see the October 1, 2021 [Notice](#). Initially limited to Criminal eCourts, this user access role for attorneys' staff was expanded in March 2022 to also include eCourts for Civil Law, General Equity, Special Civil Part, and Tax Court, as well as the eCourts Expungement System; see the March 24, 2022 [Notice](#). This notice is to advise that this user access role for attorneys' staff is being further expanded to eCourts Family effective September 30, 2022.

To acquire this user access, attorneys' staff must first register via the Judiciary website at the [self-registration portal](#). Once registered, the attorneys' staff person must provide that new user ID to the attorney so that the attorney can associate the staff person's account to the attorney's bar ID. Once that has been done, the attorneys' staff may electronically file documents, view the case jacket, and save and print documents using their user access without the need to use the attorney's credentials.

Questions regarding this notice may be directed to the Superior Court
Clerk's Office at SCCO.mailbox@njcourts.gov or 609-421-6100.

A handwritten signature in black ink, appearing to read "Glenn A. Grant", is positioned above a horizontal line.

Glenn A. Grant
Administrative Director of the Courts
