Defendant.	:	

THIS MATTER having been brought before this Court by Assistant Prosecutors Christopher J. Decker and Nicole Wallace, appearing on behalf of the State, and Monika Mastellone, Esq. and Andy Murray, Esq., attorneys for defendant Paul Caneiro, on the joint application of the parties, having agreed and for good cause shown;

IT IS on this 15th day of July 2025 hereby **ORDERED** that a portion of the trial testimony of State's witness, Detective Debra Bassinder, will be sanitized as follows:

When testifying about any income defendant received from Ecostar and Square One as part of his total income for the years 2013 through 2018, Detective Bassinder will refer to same as "money/income" paid "to defendant and his family" through payroll from the businesses. The parties also agree that Det. Bassinder will not refer to the money/income as a 'salary' and that

Det. Bassinder will not testify that this money was only paid to Susan or that only defendant had access to this money. However, Detective Bassinder will testify that defendant was collecting disability payments, and that his disability insurance policy prevented him from obtaining outside employment. Further, Detective Bassinder will testify that Susan Caneiro was not employed during the aforementioned time period.
