COURT MANAGEMENT provides caseload statistics for New Jersey Superior Trial Courts. Statistics are compiled from monthly statistical reports prepared by division managers in each county and submitted by trial court administrators.		Percent Change: The percentage increase from last year during the same period to the current period.			
The statewide overview section of the report provides court year-to-date clearance and inventory percentages and current month clearance numbers. The county profile section provides a two-page court year-to-date caseload report for each county.					
Court Management is produced by the Administrative Office of the Courts' Quantitative Research Unit.
