RE: Comments on Proposal for Virtual Civil Jury Trials

Dear Judge Grant:

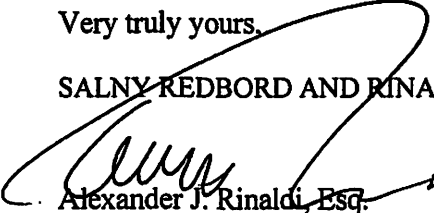

Kindly accept the within as objecting comments regarding the proposed virtual civil jury trials:

1. There are too many fact and expert witnesses, and without in-person testimony, it would be prejudicial to plaintiff(s);
2. It would be difficult to introduce large physical evidence for the Jury to touch and examine; and
3. It would be difficult for the admission of exhibits and authentication of documents.

Thank you for the opportunity to weigh in on this proposal.

Very truly yours,

SALNY REDBORD AND RINALDI

Alexander J. Rinaldi, Esq.
