Since my tenant stopped paying me rent last April,I was forced to sell my condo with my tenant.I lost 70000\$ because of the,,fire price. My tenant owes me 19000\$ and to get these money back is almost impossible(like my lawyer told me). My tenant told me he never suffered financially, because of covid. I applied for state grant ,but I wasn,wasn't, been picked up in lottery. Where is the justice???? State government failed me!
