Subject: [External]Zoom or Teams appearances

CAUTION: This email originated from outside the Judiciary organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Keeping Zoom or Teams for most court appearances would be a time savings for the courts, clients and counsel.

For settlement conferences, case management conferences, oral arguments, arbitrations and calendar calls, it would be the most efficient and safest method.

Thanks,

Jeffrey Scott Beckerman, Esq.
